Ms Alison Ornbo  
Senior Administrative Officer  
United Firefighters' Union of Australia  
New South Wales Branch

SYDNEY NSW 2000

Dear Ms Ornbo,

**Re: United Firefighters' Union of Australia - New South Wales Branch  
Financial documents for years ended 30 June 2001, 30 June 2002 & 30 June 2003  
FR2004/206, FR2004/207 & FR2003/574**

Receipt is acknowledged of the financial documents of the New South Wales Branch of the United Firefighters' Union of Australia for the years ended 30 June 2001, 30 June 2002 and 30 June 2003. The documents were lodged in the Industrial Registry on 13 January 2004.

On 2 March 2004 the Branch lodged a secretary's certificate in accordance with the requirements of paragraph 280(1)(b) of the *Workplace Relations Act 1996*. The certificate relates to each of the abovementioned financial years.

The documents have been filed.

I direct your attention to the following matters concerning the financial reporting requirements of the *Workplace Relations Act 1996* applicable to these documents. Please note that the reporting obligations for the year ended 30 June 2004 will be governed by the new RAO Schedule.

### **Balance Sheet**

The financial documents for the year ended 30 June 2001 did not include a balance sheet as required under subsection 273(1) of the Act and subregulation 107(b) of the *Workplace Relations Regulations*. Such balance sheet is required to provide an account of the assets and liabilities of the Branch as at the end of the financial year. (emphasis added)

### **Timeline Provisions**

It would appear that the financial documents, in respect of each financial year, were supplied to the members of the Branch after the Committee of Management meeting at which they were presented contrary to the timeline requirements of subsections 279(1) and (3) of the Act.

## **Late Lodgement**

As advised in correspondence from the Registry dated 5 February 2002, unless an extension of time has been granted, financial documents are required to be lodged within 14 days of the meeting at which such documents are presented. [refer sections 279 and 280(1)]

## **New Legislation**

The Workplace Relations (Registration and Accountability of Organisations) legislation (the RAO legislation) generally came into operation on 12 May 2003.

Schedule 1B of the RAO legislation establishes a Registration and Accountability of Organisations Schedule (**the RAO Schedule**) within the *Workplace Relations Act 1996* (the WR Act). Many of the provisions relating to registered organisations currently in the WR Act are replicated in the new RAO Schedule, with some amendments. Other matters are substantially changed by the RAO Schedule, particularly the financial reporting requirements.

The abovenamed Branch has correctly completed and lodged its financial documents for the financial year ended 30 June 2003 under the WR Act. However, in relation to the financial year ending 30 June 2004, the requirements of the new RAO Schedule will apply.

You may wish to consider bringing the requirements of the new legislation to the attention of the Branch's auditor.

Should you have any queries concerning these matters, I may be contacted on (03) 8661 7775.

Yours sincerely

Ruth Hansen
