

20 December 2014

Mr Greg Cooper Branch Secretary United Firefighters' Union of Australia-Tasmania Branch greg.cooper@ufutas.com

Dear Mr Cooper,

#### United Firefighters' Union of Australia-Tasmania Branch Financial Report for the year ended 30 June 2014 - [FR2014/144]

I acknowledge receipt of the financial report of the Tasmania Branch of the United Firefighters' Union of Australia. The documents were lodged with the Fair Work Commission on 17 December 2014. The financial report has now been filed.

I make the following comments to assist you when you next prepare a financial report. You are not required to take any further action in respect of the report lodged. The Fair Work Commission will confirm these concerns have been addressed prior to filing next year's report:

#### Disclosure of employee expenses to office holders and other employees

The Reporting Guidelines require reporting units to disclose in the statement of comprehensive Income or in the notes to the financial statements employee expenses to holders of office (item 16(f)) and employee expenses to other employees (item 16(g)). Item 16(f) and 16(g) of the reporting guidelines also requires these expenses to be separately disclosed as follows:

- · Wages and salaries;
- Superannuation;
- Leave and other entitlements;
- Separation and redundancies; and
- Other employee expenses.

The employee expense note to the financial statements has disclosed wages and salaries, superannuation, other employee expenses for officer holders and employees, but does not separately disclose any separation and/or redundancy expenses provided for officers and employees. The Reporting Guidelines require that <u>all</u> employee and office holder expenses be detailed separately (refer to items 16(f) and 16(g)). Please note that Reporting Guideline 17 states that if the activities identified in item 16 have not occurred in the reporting period, a statement of this effect must be included in the GPFR. Please ensure this is included in next year's report.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Dear Ms Wardlaw

### Certificate of Branch Secretary

Fair Work (Registered Organisations) Act 2009

I, Greg Cooper, being the Branch Secretary of the United Firefighters Union of Australia Tasmania Branch certify:

- that the documents lodged herewith are copies of the full report referred to in s268 of the Fair Work (Registered Organisations) Act 2009; and
- that the full report was provided to members on 7 November 2014; and
- that the full report was presented to and accepted by an Annual General Meeting of members of the reporting unit on Friday 12 December 2014;
- the abovementioned were conducted in accordance with section 266 of the Fair Work (Registered Organisations) Act 2009.

I declare on behalf of the United Firefighters Union of Australia Tasmania Branch that the above is a correct statement.

Yours faithfully

Branch Secretary

#### **OPERATING REPORT**

#### **Number of members**

As at 30 June 2014 342 members.

#### Number of employees

As at 30 June 2014 the branch employed 1 Secretary 5 days per week and 1 Office Manager 4 days per week.

#### **Principal activities**

During the reporting period the branch was successful in improving member's wages and improving conditions of employment including payment for deployments.

#### Significant changes in financial affairs

There were no significant changes in the reporting unit's financial affairs.

#### Right of member to resign

Members of the branch are fully aware of their right to be or not be a member of the union. They are aware that this can be done by written notice to the Branch Secretary.

The branch receives copies of all resignation letters courtesy of the Tasmania Fire Service and/or directly from the membership. These are accepted for the purpose of resignation from branch membership. The branch does not collect union dues in arrears under any circumstances.

#### UFU of A Rules - Rule 8 - RESIGNATION FROM MEMBERSHIP states:

#### **"8 - RESIGNATION FROM MEMBERSHIP**

- (1) A member of the Union may resign from membership by written notice addressed and delivered to the Secretary of the Branch to which such member belongs.
- (2) A notice of resignation from membership of the Union takes effect:
  - (a) where the member ceases to be eligible to become a member of the Union:
    - (i) on the day on which the notice is received by the Union; or
    - (ii) on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member; whichever is later; or
  - (b) in any other case:
    - (i) at the end of two weeks after the notice is received by the Union; or
    - (ii) on the day specified in the notice; whichever is later.
- (3) Any dues payable but not paid by a former member of the Union, in relation to a period before a member's resignation from the Union took effect, may be sued for and recovered in the name of the Union, in a court of competent jurisdiction, as a debt due to the Union.

Please address all correspondence to the Secretary

Branch Secretary: Greg Cooper Branch President: Chris Tomes
Mobile: 0418 126 488 Mobile: 0419 120 159

- (4) A notice delivered to the Branch Secretary shall be taken to have been received by the Union when it was delivered.
- (5) A notice of resignation that has been received by the Union is not invalid because it was not addressed and delivered in accordance with Sub-Rule (1).
- (6) A resignation from membership of the Union is valid even if it is not effected in accordance with this Rule if the member is informed in writing by or on behalf of the Union that the resignation has been accepted."

In addition, members may resign in accordance with the provisions of the Fair Work (Registered Organisations) Act 2009.

The UFU continues to have a very high density rate of union membership.

#### Superannuation trustees

No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of an organisation.

#### Committee of Management Statement

On 3 October 2014 the Committee of Management of the United Firefighters Union of Australia Tasmania Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 30 June 2014:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the Committee of Management were held in accordance with the rules of the organisation including the rules of a branch concerned;
  - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the Branch concerned;
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with Fair Work (Registered Organisations) Act 2009 and the Fair Work (Registered Organisations) Regulations 2009;
  - (iv) the organisation consists of only one reporting unit;
  - (v) no requests have been made by a member of the reporting unit or the General Manager under section 272 of the Fair Work (Registered Organisations) Act 2009; and
  - (vi) no orders have been made by the Fair Work Commission under section 273 or the Fair Work (Registered Organisations) Act 2009 during the period.
- (f) there was no recovery of wages activity for the financial year.

Signed in accordance with a resolution of the members of the Committee of Management:

Greg Cooper

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies

#### (a) General Information

These financial report covers United Firefighters Union of Australia Tasmania Branch as an individual entity, incorporated and domiciled in Australia. United Firefighters Union of Australia Tasmania Branch is a registered employee organisation under the Fair Work (Registered Organisations) Act 2009.

#### (b) Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009. The Union is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of this financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### (c) Comparative Figures

Where appropriate, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### (d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities in the statement of financial position.

#### (e) Plant and Equipment

Plant and equipment are measured on the cost basis less, where applicable, any accumulated depreciation. Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

#### Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### (e) Plant and Equipment continued

The depreciation rates used for each class of depreciable assets are:

#### Class of Fixed Asset

Motor Vehicles 25%
Office Equipment 10% - 25%
Computer Equipment 33.3%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

#### (f) Critical Accounting Estimates and Judgments

The Committee evaluates estimates and judgements incorporated into the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and based on current trends and economic data, obtained both externally and within the reporting unit.

#### (g) Financial Instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions to the instrument. For financial assets, this is the equivalent to the date that the reporting unit commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately. Financial instruments are classified and measured as set out below.

#### (i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

#### (ii) Financial liabilities

Non-derivative financial liabilities are at amortised cost, comprising original debt less principal payments and amortisation.

#### Impairment

At each reporting date, the reporting unit assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### g) Financial Instruments continued

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the instrument. For financial assets, this is the equivalent to the date that the Association commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

#### Classification and subsequent measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method, or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- (a) the amount at which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the *effective interest method*; and
- (d) less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

The classification of financial instruments depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and at the end of each reporting period for held-to-maturity assets.

The Association does not designate any interest as being subject to the requirements of accounting standards specifically applicable to financial instruments.

#### (iii) Financial assets at fair value through profit or loss

Financial assets are classified at 'fair value through profit or loss' when they are either held for trading for the purpose of short-term profit taking, derivatives not held for hedging purposes, or when they are

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### (g) Financial Instruments continued

designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

#### (iv) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting year.

#### (v) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Association's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Held-to-maturity investments are included in non-current assets, except for those which are expected to be realised within 12 months after the end of the reporting period, which will be classified as current assets.

If during the period the Association sold or reclassified more than an insignificant amount of the held-to-maturity investments before maturity, the entire held-to-maturity investments category would be tainted and reclassified as available-for-sale.

#### (vi) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to be sold within 12 months after the end of the reporting period.

#### (vii) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Fees payable on the establishment of loan facilities are recognised as transaction costs of the loan.

Borrowings are classified as current liabilities unless the Association has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### (h) Employee Benefits

Provision is made for the reporting unit's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits.

Contributions made by the reporting unit to an employee superannuation fund are charged as expenses when incurred.

#### (i) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

#### (j) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Subscription income is recognised in the period to which the subscriptions relate.

Interest revenue is recognised over the period for which the funds are invested.

Grant and donation income is recognised when the Association obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

#### (k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Amounts recorded within the statement of cash flows are presented on an net basis with the annual GST movement presented as a separate operating cash flow.

#### (I) Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### (m) Adoption of new and revised accounting standards

During the current year, the Association adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

The adoption of these Standards has impacted the recognition, measurement and disclosure of certain transactions. The following is an explanation of the impact the adoption of these Standards and Interpretations has had on the financial statements of United Firefighters Union of Australia Tasmania Branch.

Standard Name	Impact
AASB 2011-9 Amendments to Australian Accounting Standards - Presentation of Items of Other Comprehensive Income	The adoption of this standard has not change the reported financial position and performance of the entity, however the presentation of items in other comprehensive income has changed.
AASB 112 Income Taxes	There has been no impact on the reported financial position and performance.
AASB 2011-3 Amendments to Australian Accounting Standards - Orderly Adoption of Changes to the ABS GFS Manual and Related Amendments	There has been no impact due the entity not being a government department.
AASB 13 Fair Value Measurement and AASB 2011-8 Amendments to Australian Accounting Standards arising from AASB 13	There has been no impact on the reported financial position and performance
AASB 119 Employee Benefits (September 2011) and AASB 2011-10 Amendments to Australian Accounting Standards arising from AASB 119 (September 2011)	There has been no impact on the reported financial position and performance
AASB 2012-2 Amendments to Australian Accounting Standards - Disclosures - Offsetting Financial Assets and Financial Liabilities	There has been no impact on the reported financial position and performance
AASB 2012-5 Amendments to Australian Accounting Standards arising from Annual Improvements 2009-2011 Cycle	There has been no impact on the reported financial position and performance

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

#### (n) New accounting standards for application in future periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Association has decided against early adoption of these Standards. The following table summarises those future requirements, and their impact on the Association:

Standard Name	Effective Date for entity	Requirements	Impact
AASB 9 Financial Instruments and amending standards AASB 2010-7 / AASB 2012-6	30 June 2018	Changes to the classification and measurement requirements for financial assets and financial liabilities	The impact of AASB 9 has not yet been determined as the entire standard has not been released.
		New rules relating to derecognition of financial instruments.	
AASB 2012-3 Amendments to Australian Accounting Standards - Offsetting Financial Assets and Financial Liabilities	30 June 2015	The amendments add application guidance to address inconsistencies in the application of the offsetting criteria in AASB 132 'Financial Instruments: Presentation', by clarifying the meaning of 'currently has a legally enforceable right of set-off'; and clarifies that some gross settlement systems may be considered to be equivalent to net settlement.	
AASB 2013-3 Amendments to AASB 136 - Recoverable Amount Disclosures for Non-Financial Assets	30 June 2015	The disclosure requirements of AASB 136 'Impairment of Assets' have been enhanced to require additional information about the fair value measurement when the recoverable amount of impaired assets is based on fair value less costs of disposals. Additionally, if measured using a present value technique, the discount rate is required to be disclosed.	Some disclosures may be required.

**Notes to the Financial Statements** 

For the Year Ended 30 June 2014

#### 1 Summary of Significant Accounting Policies continued

(n) New accounting standards for application in future periods continued

Standard Name	Effective Date for entity	Requirements	Impact
AASB 2013-4 Amendments to Australian Accounting Standards - Novation of Derivatives and Continuation of Hedge Accounting	30 June 2015	This standard amends AASB 139 'Financial Instruments: Recognition and Measurement' to permit continuation of hedge accounting in circumstances where a derivative (designated as hedging instrument) is novated from one counter party to a central counterparty as a consequence of laws or regulations.	No expected impact on the entitities financial position or performance.

#### (o) Notes to be Provided to Members or the General Manager of The Fair Work Commission

- (i) A member of a reporting unit, or the General Manager of the Fair Work Commission, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (ii) The application must be in writing and must specify the period within which, and the manner in which, information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (iii) A reporting unit must comply with an application made under subsection (1).

#### (p) Transaction Occurence

Any transactions requried to be specifically disclosed under the Fair Work (Registered Organisations) Act 2009 that have not been disclosed in this financial report have not occurred during the financial year.

#### 10 Financial Instruments

#### Financial Risk Management

The Association's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, bank loans and overdrafts, loans to and from subsidiaries, bills, leases, preference shares, and derivatives.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

		2014 \$	2013 \$
Financial Assets Cash and cash equivalents	3	204,042	196,551
Total financial assets	-	204,042	196,551
Financial Liabilities Financial liabilities at amortised cost - Trade and other payables	7	845	589
Total financial liabilities	_	845	589

Notes to the Financial Statements

For the Year Ended 30 June 2014

#### 10 Financial Instruments continued

#### Financial Risk Exposures and Management

The main risks the Association is exposed to through its financial instruments are credit risk, liquidity risk, interest rate risk, foreign currency risk and price risk.

#### (a) Interest rate risk

The reporting unit does not have any material interest rate risk. Any risk arising is managed with a mixture of fixed and floating rate investment.

#### (b) Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counter parties of contract obligations that could lead to a financial loss to the Association. The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognise financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the Statement of Financial Position and notes to the financial statements.

United Firefighters Union of Australia Tasmania Branch does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the reporting unit.

#### (c) Foreign Currency Risk

The reporting unit does not have any exposure to fluctuations in foreign currencies.

#### (d) Liquidity risk

United Firefighters Union of Australia Tasmania Branch manages liquidity risk by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained.

#### (e) Price risk

United Firefighters Union of Australia Tasmania Branch is not exposed to any material commodity price risk.

#### Sensitivity Analysis

United Firefighters Union of Australia Tasmania Branch has performed an assessment of its exposure to interest rate risk, liquidity risk and credit risk at balance date. United Firefighters Union of Australia Tasmania Branch is not currently subject to any interest rate risk on its financial liabilities, and has assessed that there is also no exposure to liquidity risk to meet its financial obligations. United Firefighters Union of Australia Tasmania Branch's exposure to credit risk has been assessed as not material, due to the nature, collectability and recoverability of the amounts owed.

As a result of the risk assessment performed by the United Firefighters Union of Australia Tasmania Branch, any positive or negative changes in the interest rate risk, liquidity risk or credit risk would not have a material effect on the financial statements. Hence quantitative disclosures are not required.

**Notes to the Financial Statements** 

For the Year Ended 30 June 2014

#### 11 Key Management Personnel Disclosures

The totals of remuneration paid to the key management personnel of United Firefighters Union of Australia Tasmania Branch during the year are as follows:

	2014	2013
	\$	\$
Short-term benefits	42,369	8,720
Long-term benefits		-
	42,369	8,720

#### 12 Related Party Transactions

There have been no related party transactions for the financial year. Where transactions between related parties do occur these are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

#### 13 Auditors' Remuneration

realtoro recinarioration		
	2014	2013

## United Firefighters Union of Australia Tasmania Branch

Independent Audit Report to the members of United Firefighters Union of Australia Tasmania Branch

#### Report on the Financial Report

We have audited the accompanying financial report of United Firefighters Union of Australia Tasmania Branch, which comprises the statement of financial position as at 30 June 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

#### Committees' Responsibility for the Financial Report

The Committee of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
