Dear Mr Hills,

United Firefighters' Union of Australia-Tasmania Branch Financial Report for the year ended 30 June 2018 - [FR2018/238]

I acknowledge receipt of the financial report of the United Firefighters' Union of Australia-Tasmania Branch. The documents were lodged with the Registered Organisations Commission (**the ROC**) on 21 January 2019. I also acknowledge receipt of the designated officer's certificate and the independent auditor's report which were lodged with the ROC on 20 February 2019 and 4 March 2019 respectively.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (**RO Act**) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2018 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. I make the following comments to assist you when you next prepare a financial report. The ROC will confirm these matters have been addressed prior to filing next year's report.

General purpose financial report (GPFR)

Nil activities disclosure

Item 21 of the reporting guidelines (**RGs**) states that if any of the activities identified within items 10-20 of the RGs have not occurred in the reporting period, a statement to this effect must be included either in the financial statements, the notes or in the officer's declaration statement. The notes statement contained nil activity information for all prescribed RG categories except the following:

- Acquiring an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission;

GPO Box 2983, Melbourne VIC 3001 Telephone: 1300 341 665 | Email: regorgs@roc.gov.au Website: <u>www.roc.gov.au</u>

- Having another entity administer the financial affairs of the reporting unit; and
- Making a payment to a former related party of the reporting unit.

Please ensure in future years that the above mentioned items are disclosed in either the financial statements, the notes or in the officer's declaration statement as per the RGs.

I note that the financial statements includes the following nil activity disclosures for which there was already an equivalent form of disclosure in the body of the notes:

- "Receiving capitation fees from another reporting unit" and "receiving revenue via compulsory levies" are disclosed in both the statement of comprehensive income and Note 2(i);
- "Receiving donations or grants" is disclosed in both the statement of comprehensive income and Note 2(ii);
- "Paying a grant that was \$1,000 or less", "paying a grant that exceeded \$1,000", "paying a donation that was \$1,000 or less" and "paying a donation that exceeded \$1,000" are disclosed in both the statement of comprehensive income and Note 3(c).

Please note that nil activities only need to be disclosed once.

Note 1(p) - transaction occurrence

Note 1(p) states that 'any transaction required to be specifically disclosed under the *Fair Work* (*Registered Organisations*) *Act 2009* that have not been disclosed in this financial report have not occurred during the financial year.'

As discussed above, item 21 of the RGs requires the activities described within items 10-20 of the RGs to be disclosed within either the financial statements, the notes or in an officer's declaration statement even if 'nil'. Note 1(p) would not satisfy this requirement as the non-occurring activities intended to be covered by this statement would not be obvious to the reader, bearing in mind that the ordinary member would not usually or readily have a copy of the RGs to accompany their reading of the financial report.

The purpose of item 21 is to make transparent for the members where particular kinds of financial activity have not occurred in any given year.

Recovery of wages disclosure

I note that nil activity disclosure of "receiving revenue from undertaking recovery of wages activity" is disclosed in both the committee of management report and the statement of comprehensive income.

The RGs no longer require a statement in regard to recovery of wages activity in the committee of management statement.

Auditor's report

Multiple auditor's reports

I note that the lodged documents included a separate auditor's reports for the subsection 255(2A) report. Under section 253 of the RO Act, a GPFR includes the expenditure report required to be prepared under subsection 255(2A) as prescribed by RG 22.

The reporting unit's auditor can provide a single auditor's statement relating to the audit of the reporting unit's financial report. The subsection 255(2A) report does not require a separate auditor's statement.

Please ensure in future years, that the subsection 255(2A) report is identified by title in the auditor's statement in accordance with paragraph 24(c) of Australian Auditing Standard ASA 700 *Forming an Opinion and Reporting on a Financial Report.*

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements. The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 reporting guidelines and Australian Accounting Standards. Access to this information is available via this link.

If you have any queries regarding this letter, please contact me on (03) 9603 0764 or via email at <u>Kylie.Ngo@roc.gov.au</u>.

Yours sincerely,

W

Kylie Ngo Financial Reporting Assistant Registered Organisations Commission

Committee of Management Statement

On 13^{kh} November 2018 the Committee of Management of the United Firefighters Union of Australia Tasmania Branch passed the following resolution in relation to the general purpose financial report (GPFR) for the financial year ended 30 June 2018:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:

(i) meetings of the Committee of Management were held in accordance with the rules of the organisation including the rules of a Branch concerned; and

(ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a Branch concerned; and

(iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and

(iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the organisation; and

(v) where information sought in any request of a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and

(vi) where any order for inspection of financial records has been made by the Registered Organisations Commission under section 273 of the RO Act, there has been compliance.

(f) there was no recovery of wages activity for the financial year.

Signed in accordance with a resolution of the members of the Committee of Management:

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(a) General Information

These financial report covers United Firefighters Union of Australia Tasmania Branch as an individual entity, incorporated and domiciled in Australia. United Firefighters Union of Australia Tasmania Branch is a registered employee organisation under the *Fair Work (Registered Organisations) Act 2009.*

(b) Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Fair Work (Registered Organisations) Act 2009.* The Union is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of this financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented have been rounded to the nearest dollar.

(c) Comparative Figures

Where appropriate, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities in the statement of financial position.

(e) Plant and Equipment

Plant and equipment are measured on the cost basis less, where applicable, any accumulated depreciation. Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(e) Plant and Equipment

The depreciation rates, at diminishing value, used for each class of depreciable assets are: Class of Fixed Asset

Motor Vehicles	25%
Office Equipment	10% - 25%
Leasehold Improvements	2.5%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

(f) Critical Accounting Estimates and Judgments

The Committee evaluates estimates and judgements incorporated into the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and based on current trends and economic data, obtained both externally and within the reporting unit.

The entity does not control any other reporting units (subsidiaries). Control is achieved where a reporting unit is exposed or has rights to variable return from its involvement with an investee and has the ability to affect those returns through its power over the reporting unit.

(g) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Branch becomes a party to the contractual provisions of the instrument. For financial assets, this is the equivalent to the date that the Association commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method, or cost. *Fair value* represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition; less principal repayments and any reduction for impairment and adjusted for any cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the *effective interest method*.

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(g) Financial Instruments

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in the statement of comprehensive income.

(i) Financial assets at fair value through profit or loss

Financial assets are classified at 'fair value through profit or loss' when they are either held for trading for the purpose of short-term profit taking or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in the statement of comprehensive income.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Association's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Fees payable on the establishment of loan facilities are recognised as transaction costs of the loan.

Impairment

At each reporting date, the reporting unit assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(h) Employee Benefits

Provision is made for the reporting unit's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits.

Contributions made by the reporting unit to an employee superannuation fund are charged as expenses when incurred.

(i) **Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(j) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Subscription income is recognised in the period to which the subscriptions relate.

Interest revenue is recognised over the period for which the funds are invested.

Grant and donation income is recognised when the Association obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(k) Goods and Services Tax (GST)

Cash flows are presented on a gross basis. The GST components of cash flows resulting from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(I) Income Tax

No provision for Income tax has been raised as the Association self assesses as being exempt from Income tax under *Div 50 of the Income Tax Assessment Act 1997.*

(m) Adoption of new and revised accounting standards

During the current year, standards which became mandatory had no significant impact on the financial report of the Association.

(n) New accounting standards for application in future periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Association has decided against early adoption of these Standards. The following table summarises those future requirements, and their impact on the Association:

Standard Name	Effective Date for entity	Requirements	Impact
AASB 9 Financial Instruments	1 January 2018	New standard that simplifies the classification of financial assets, aligns hedging with the entity's risk management practices, and introduces an 'expected credit losses' model for impairment.	Impact assessment to be undertaken and disclosed in 2019.
AASB 15 Revenue from contracts with customers	1 January 2019	New standard in which revenue is recognised to depict the transfer of control of promised goods and services to a customer (rather than when risks and rewards transfers) at the amount that reflects the consideration to which the entity expects to be entitled.	Impact assessment to be undertaken and disclosed in 2019.

Notes to the Financial Statements

For the Year Ended 30 June 2018

1 Summary of Significant Accounting Policies

(n) New accounting standards for application in future periods

Standard Name	Effective Date for entity	Requirements	Impact
AASB 16 Leases	1 January 2019	New standard that abolishes the concept of the operating lease for lessees by creating a single model for lessees and recognises a 'right of use' asset and financial liability for all leases.	Impact assessment to be undertaken and disclosed in 2019.
AASB 1058 Income of Not- for-Profit entities	1 January 2019	New standard for recognising income in not- for-profit entities, including guidance for when AASB 15 applies. Is expected to defer income recognition in some circumstances, particularly when AASB 15 applies.	Impact assessment to be undertaken and disclosed in 2019.

(o) Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commissioner:

(i) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.

(ii) The application must be in writing and must specify the period within which, and the manner in which, information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

(iii) A reporting unit must comply with an application made under subsection (1).

(p) Transaction Occurence

Any transactions required to be specifically disclosed under the *Fair Work (Registered Organisations)* Act 2009 that have not been disclosed in this financial report have not occurred during the financial year.

10 Financial Instruments

Financial Risk Management

The Branch's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and payable.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

		2018 \$	2017 \$
Financial Assets Cash and cash equivalents	4 _	348,577	290,276
Total financial assets	_	348,577	290,276
Financial Liabilities Financial liabilities at amortised cost		(407)	000
Trade and other payables	8 _	(467)	922
Total financial liabilities	-	(467)	922

Financial Risk Exposures and Management

The main risks the Branch is exposed to through its financial instruments are credit risk, liquidity risk, interest rate risk, foreign currency risk and price risk.

(a) Interest rate risk

The reporting unit does not have any material interest rate risk. Any risk arising is managed with a mixture of fixed and floating rate investment.

(b) Credit risk

United Firefighters Union of Australia Tasmania Branch does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the reporting unit.

(c) Foreign Currency Risk

The reporting unit does not have any exposure to fluctuations in foreign currencies.

- 10 Financial Instruments
- (d) Liquidity risk

United Firefighters Union of Australia Tasmania Branch manages liquidity risk by monitoring forecast cash flows and ensuring that adequate cash reserves are maintained.

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

Total contractual outflows	(467)	922	-	-	-		(467)	922

The timing of expected outflows is not expected to be materially different from contracted cashflows.

(e) Price risk

United Firefighters Union of Australia Tasmania Branch is not exposed to any material commodity price risk.

Sensitivity Analysis

United Firefighters Union of Australia Tasmania Branch has performed an assessment of its exposure to interest rate risk, liquidity risk and credit risk at balance date. United Firefighters Union of Australia Tasmania Branch is not currently subject to any interest rate risk on its financial liabilities, and has assessed that there is also no exposure to liquidity risk to meet its financial obligations. United Firefighters Union of Australia Tasmania Branch's exposure to credit risk has been assessed as not material, due to the nature, collectability and recoverability of the amounts owed.

As a result of the risk assessment performed by the United Firefighters Union of Australia Tasmania Branch, any positive or negative changes in the interest rate risk, liquidity risk or credit risk would not have a material effect on the financial statements. Hence quantitative disclosures are not required.

United Firefighters Union of Australia Tasmania Branch

Independent Audit Report to the members of United Firefighters Union of Australia Tasmania Branch

Opinion

We have audited the financial report of United Firefighters Union of Australia Tasmania Branch, which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Committee of Management Statement.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Branch as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Branch in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Going Concern

We have assessed that management's use of the going concern basis of accounting in the preparation of the Committee's financial report appears appropriate.

Other Information

The Committee are responsible for the other information. The other information comprises the Operating Report the year ended 30 June 2018, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Audit Report to the members of United Firefighters Union of Australia Tasmania Branch

Responsibilities of the Committee of Management for the Financial Report

The Committee is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009.* This responsibility includes; designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Branch or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Branch's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Committee's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Committee's ability to continue as a going concern. If we conclude that a material uncertainty exists, we required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Committee to express an opinion on the financial report. Tasmania Branch

For the Year Ended 30 June 2018

Opinion

We have audited the accompanying Expenditure Incurred Report (the Report) of United Firefighters Union of Australia Tasmania Branch (the Branch) for the year ended 30 June 2018.

In our opinion the financial information in the Report of the Branch presents fairly, in all material respects, the total expenditure incurred by the Branch in relation to each category of expenditure for the year ended 30 June 2018 in accordance with *subsection 225(2A) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).*

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Branch in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter - Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to the fact that this Report has been prepared for the purpose of fulfilling the reporting obligations under subsection 225(2A) of the Fair Work (Registered Organisations) Act 2009 (the RO Act). The report has been prepared to assist the Branch to meet the requirements of the Registered Organisations Commission (ROC). As a result, the report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Our report is intended solely for the Branch and ROC and intended not be distributed and used by parties other than the Branch and ROC.

Mr John Holloway Branch Secretary United Firefighters' Union of Australia-Tasmania Branch Sent via email: <u>ufutas@ufutas.com</u>

Dear Mr Holloway,

Lodgement of Financial Report - Reminder to lodge

The Registered Organisations Commission's (the ROC) records disclose that the financial year of the United Firefighters' Union of Australia-Tasmania Branch (the reporting unit) ended on the 30 June 2018.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with the RO Act, make it available to the members and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the full financial report to be presented to a general meeting of members or a committee of management meeting is <u>six months after the expiry date of its financial year</u> (s.253, s254, s265, s.266, s.268). The full report must be lodged with the ROC within <u>14 days of that meeting</u>.

The ROC encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the Commissioner instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the Commissioner following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$105,000 per contravention on the organisation and up to \$21,000 per contravention on an officer whose conduct led to the contravention.

We encourage you to lodge the full financial report directly to <u>regorgs@roc.gov.au</u>. That is the official email address for electronic lodgements of material related to registered organisations matters.

Should you seek any clarification in relation to the above, please contact me on (03) 9954 2931 or via email at <u>Sam.Gallichio@roc.gov.au</u>.

Yours faithfully,

Son Mini

Branch Secretary United Firefighters' Union of Australia-Tasmania Branch By Email: ufutas@ufutas.com

Dear Branch Secretary,

Re: Lodgement of Financial Report - [FR2018/238] Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the United Firefighters' Union of Australia-Tasmania Branch (the reporting unit) ended on 30 June 2018. This is a courtesy letter to remind you of the reporting unit's obligations regarding financial reporting.

Loans Grants and Donations Statement

The reporting unit is required to lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 of the RO Act requires this statement to be lodged with the Registered Organisations Commission (the ROC) within 90 days of the end of the reporting unit's financial year, namely on or before 28 September 2018.

The attached fact sheet *Loans Grants and Donations* (FS 009) summarises the requirements of the Loans Grants and Donations Statement. A sample statement of loans, grants or donations is available on our <u>website</u>.

It should be noted that s.237 is a civil penalty provision. If a loan, grant or donation over \$1000 has been made, failure to lodge a statement of loans, grants and donations (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty. Currently penalties are up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual and may be imposed upon your organisation and/or an officer whose conduct led to the contravention.

Financial report

The RO Act sets out a particular chronological order in which your financial report must be prepared, audited, provided to members, presented to a meeting and then lodged with the ROC. The attached document *Summary of Financial Reporting timelines* (FS 008) summarises these requirements.

We emphasise that the reporting unit is required to present its audited financial report to a meeting (either of members or of the committee of management, depending on its rules) no later than 30 December 2018 (s.266). The full financial report must be lodged with the ROC within 14 days of that meeting (s.268).

When assessing your financial report, we will continue to focus closely on timelines as well as how loans, grants and donations are reported (see attached *Loans Grants and Donations* fact sheet FS 009). The financial report must break down the amounts of grants and donations and these figures will be compared to the loans, grants and donations statement.

You can visit our website for more information regarding <u>financial reporting</u>, and fact sheets regarding <u>financial reporting processes and requirements</u>. A model set of financial statements developed by the ROC is also available on our website. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards.

GPO Box 2983, Melbourne VIC 3001 Telephone: 1300 341 665 | Email: regorgs@roc.gov.au Website: <u>www.roc.gov.au</u> It should be noted that s.268 of the RO Act is a civil penalty provision. Failure to lodge the full financial report (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty, as set out above, being imposed upon your organisation and/or an officer whose conduct led to the contravention (s.268).

Auditor's report

When assessing the financial report we will also focus on the structure and content of the auditor's report to ensure that it complies with the revisions made to the Auditing Standards which came into operation with effect from 15 December 2016. Please find <u>here</u> a link to guidance note *Illustrative Auditor's Report* (GN 004) relating to these requirements (also available on our website).

REMINDER

YOUR AUDITOR MUST BE REGISTERED (s.256)

You must ensure that your auditor is registered by the Registered Organisations Commissioner. A list of registered auditors is available on our <u>website</u>.

Loans, Grants & Donations

The Loans, Grants & Donations Requirements

The *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within **90 days** of the ending of the financial year.

Under the Commissioner's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceeds \$1000. The following information must be supplied to the Registered Organisations Commission (the ROC) for each relevant loan, grant or donation:

- the amount,
- the purpose,
- the security (if it is a loan),
- the name and address of the person to whom it was made,* and
- the arrangements for repaying the loan.*

*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the ROC has a <u>Template Loans</u>, <u>Grants and Donations Statement</u> on its website. The ROC encourages branches and organisations to lodge the statement even if all of the figures are NIL. Common misconceptions Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconception		Requirement		
×	Only reporting units must lodge the Statement.	√	All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.	
×	Employees can sign the Statement.	√	The statement must be signed by an elected officer of the relevant branch.	

Grants & Donations within the Financial Report

Item 16(e) of the Commissioner's Reporting Guidelines requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines. In the <u>ROC's Model Statements</u> the note appears as follows:

Note 4E: Grants Or donations*

Grants:	[Current year]	[Previous year]
Total paid that were \$1,000 or less		-
Total paid that exceeded \$1,000	-	-
Donations:		
Total paid that were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
Total grants or donations	-	-

The Commissioner's Reporting Guidelines requires that these line items appear in the financial report even if the figures are NIL.

Implications for filing the Financial Report

During their review of the financial report staff of the ROC may confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their last financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous

financial year to ensure any targeted concerns are addressed in their latest financial report.

Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the website.
