**The United Firefighters' Union of Australia-Tasmania Branch's Officer and related party disclosure statement (ORP Statement)**

Thank you for providing your ORP statement. Your ORP statement includes information required to be provided to your members and lodged under subsection 293J of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

**Your primary review**

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

**Your ORP statement satisfied the requirements of the primary review and has been uploaded to the ROC website.**

### **Officer Declaration**

The advice from Mr Leigh Hills received on 23/03/2021 that the Statement has been signed in his capacity as the Branch Secretary has been noted.

### **The ROC's risk-based approach**

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklist](#) is published on our website.

### **Do you have questions?**

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).

Yours sincerely
