Dear Mr Lawrence

Re: Annual Returns of Information

You will be aware that each registered organisation is required under subsection 268(3) of the *Workplace Relations Act 1996* to lodge in the Registry certain information relating to records that the organisation is required to keep **prior to the 31st March each year**. It is a mandatory obligation on organisations to supply this information, I am writing to you to outline the information required and offer assistance if the requirements are unclear.

Subsection 268(3)(b) requires the following documents to be lodged:

- List of offices;
- List of office-holders including names, postal addresses and occupations as at January 1st 2002;
- Address of the office of the organisation; and
- A record of each election that must, under the rules of the organisation, be held during the year commencing 1 April 2002. (reg 102)

Each of the above is required to be lodged under cover of a Commonwealth statutory declaration certifying that the information is correct. The statutory declaration must also declare that the register of members has been kept and maintained in accordance with the requirements of Subsection 268(3)(a).

You will also be aware that Workplace Relations Regulation 43 requires organisations of employees (unions) to lodge annual statements concerning the number of members as at 1 January each year. This information is required no later than the 1 March 2002. It may be convenient for you to include this information with the above.

Should you wish to discuss this matter, I may be contacted on (02) 8374 2612.
