Mr Jeffrey Lawrence National Secretary Liquor, Hospitality and Miscellaneous Union Locked Bag 9 HAYMARKET NSW 1240

Dear Mr Lawrence

Financial Return - year ending 30 June, 2004

Our records show your organisation's financial year ended recently. This letter outlines some of the things you must do to meet your financial reporting obligations and when you have to do them. For simplicity, we will call the documents you have to lodge with us your *financial return*.

New legislation

This letter is intended as guide to the law applicable on the date of this letter and should not be used as a substitute for legal or accounting advice. We only summarise some of the reporting requirements in this letter. More detailed information is at the end of this letter.

The legislation has changed since your last return. In May 2003 the Industrial Registrar wrote to all organisations forwarding a number of facts sheets outlining the major changes made by Schedule 1B of the Workplace Relations Act 1996 ('RAO' ¹). While the immediate changes affected the rules and elections in organisations, the changes affecting financial returns involve a longer lead time.

The key differences under the new legislation affecting financial returns are:

- a reduced financial reporting cycle (now maximum periods of 5 or 6 months depending on internal arrangements of organisation)
- a greater emphasis given to Australian Accounting Standards
- the introduction of a new report, known as an Operating Report (broadly similar in concept to a Director's Report under the corporations legislation)
- extensions of time are limited to one month
- restructured penalty provisions involving more extensive use of Civil Penalties
- the introduction of the Industrial Registrar's Reporting Guidelines
- organisations and their branches to report according to their financial structures, known as 'reporting units'.

We recommend you discuss the new requirements with your accountant or auditor.

¹ Registration and Accountability of Organisations Schedule (RAO) (Schedule 1B to the Workplace Relations Act 1996)

Reporting Unit

One of the new concepts of the RAO legislation is that reporting entities are known as "reporting units". Where an organisation is **not** divided into branches the reporting unit is the whole of the organisation. Where an organisation **is** divided into branches each branch will be a reporting unit unless the Industrial Registrar has determined a division of the organisation into reporting units on an alternative basis. We can discuss this with you if you need more information.

For simplicity, we will refer to your organisation as a reporting unit in this letter.

Industrial Registrar's Guidelines

The Industrial Registrar's reporting guidelines set out certain disclosure requirements in addition to those prescribed by Australian Accounting Standards having in mind the nature of organisations registered under the Workplace Relations Act.

The disclosure requirements prescribed by the reporting guidelines are directed towards providing members of the reporting unit with information to enable them to gauge the performance of the committee of management and other holders of office in relation to the financial management of the reporting unit. In addition, the reporting guidelines seek to improve the quality of information available to users of the financial report about the reporting unit's economic support of, or economic dependency on, other reporting units of the organisation.

Timeline Planner and Checklist

We have attached a <u>Timeline/Planner</u> (Attachment A) to help you **plan** your financial return and carry out all the necessary steps. We have also attached a <u>Document Checklist</u> (Attachment B) to **check** your documents before lodging them in the Registry. Both documents are abbreviated summaries of the relevant provisions of the RAO Schedule, RAO Regulations and the Industrial Registrar's Reporting Guidelines.

In the following section we describe some of the documents your reporting unit must prepare and the sequence of their preparation and completion.

Three Reports

Your reporting unit must prepare two reports <u>as soon as practicable</u> after its financial year, which, together with the Auditor's Report, comprise the reporting unit's financial return.

1. **General Purpose Financial Report** - this must comply with the Australian Accounting Standards and the Industrial Registrar's Reporting Guidelines. The GPFR consists of:

Financial Statements containing:

- a profit and loss statement, or other operating statement; and
- · a balance sheet; and
- · a statement of cash flows; and
- any other statements required by the Australian Accounting Standards; and

Notes to the Financial Statements containing:

- notes required by the Australian Accounting Standards; and
- information required by the Industrial Registrar's *Reporting Guidelines* under section 255); and

Committee of Management Statement as required by the Registrar's Reporting Guidelines (a sample certificate for illustrative purposes is at *Attachment C*)

2. **Operating Report** - this report includes a review of your <u>reporting unit's</u> principal activities for the year and other specified information.

Your reporting unit must appoint an auditor to audit the GPFR and to provide:

3. an Auditor's Report.

First Meeting (Committee of Management)

For simplicity, we will call the meeting at which the committee of management first considers the GPFR the first meeting. At the first meeting your committee, if satisfied that all is in order, will resolve to express its opinion on the GPFR and complete a Committee of Management Statement.

The Auditor

After the first meeting, the auditor takes the GPFR and the Committee of Management Statement and prepares a report on the GPFR. In practice, your auditor may have already completed most of his or her examination of your accounts. The auditor may only be waiting on the Committee to pass the required resolution and make the Statement before signing the report the same day.

Informing Your Members

Your <u>reporting unit</u> must provide free of charge to the general membership, copies of the GPFR, the Operating Report and the Auditor's Report. RAO calls these the "full report". Under certain circumstances, your <u>reporting unit</u> can provide a more limited <u>concise report</u>.

The reporting unit can meet its obligation to provide copies of the full or concise report to members by publishing the report in a journal that is available to the members free of charge.

A reporting unit may meet this obligation in whole or in part by publication of the report in a journal published on a web site on the Internet dependent on:

- a. the extent of the accessibility of the members of the reporting unit to the Internet; and
- b. that the members are notified by the reporting unit in the usual manner in which it communicates with its members that the report has been so published at a specified Internet address.

The report must be provided within 5 or 6 months from the end of the financial year, depending on the internal arrangements of the organisation for the presentation of its financial reports.

The Second Meeting - if it is a General Meeting of Members

After providing the full report to members it must be presented to a general meeting of members. For simplicity this is referred to as the second meeting.

Your reporting unit must always allow a minimum of 21 days for members to receive the full report before presenting it to a general meeting of members (s265(5)). The purpose of the interval and the second meeting is to enable the members to have time to consider the report and, if they wish, to attend the second meeting to discuss it.

If the rules of the organisation permit a general meeting to be a series of meetings held at different locations, the full report may be presented to such a series of meetings. In this case the 'date' of the general meeting is taken to be the date of the last meeting in the series (see \$266(2)).

The Second Meeting - if it is a Committee of Management Meeting

If the rules of your organisation contain a provision that allows up to 5% of members to demand a general meeting to be held consider the report (see s266(3)), it is permissible to present the report directly to a Committee of Management meeting.

Lodge full report within 14 days of meeting

You must lodge a copy of the full report and any concise report in the Industrial Registry within 14 days of the second meeting. For your convenience you are encouraged to lodge the material electronically (see eFiling Tab at www.airc.gov.au). When lodging the financial return please quote: **FR2004/564.**

The Secretary (or another officer appropriately authorised under the rules of the organisation) must *certify* that the full report is a copy of the one provided to members <u>and</u> presented to the second meeting and provide the date of the meeting (a sample certification for illustrative purposes is at *Attachment D*).

When we receive your return we will check that it includes the information you must provide your members and that you have provided it to them correctly.

Complying with time limits

This letter has outlined some of the steps in preparing and lodging your return. Many of the steps must be completed within fixed time limits.

Failure to complete them in time could make your reporting unit or its officers liable to financial or "civil penalties".

Extensions of Time

We appreciate that sometimes circumstances beyond your reporting unit's control may delay completion of a financial return. If you believe your reporting unit is going to be unable to meet a time limit tell us as soon as you know. We can advise you if the step is one for which you may apply under RAO to the Industrial Registrar for extra time to complete. The maximum extra time allowed can be no more than one month.

Reduced Reporting Requirements

If your reporting unit meets certain conditions, some of these reporting requirements can be reduced. Such conditions might be where the annual income of the reporting unit (where the reporting unit is the whole of the organisation) is less than \$100,000, or where the reporting unit has no financial affairs in the financial year, or where the financial affairs of the reporting unit are encompassed by the financial affairs of its counterpart State industrial association.

Contact the Registry

We encourage you to contact the Registry on (02) 8374 6666 or by e-mail at Peter.McKerrow@air.gov.au as early as possible if you believe preparation or lodgment of your return will be delayed or if you have any queries. We can offer you advice on procedure but we cannot give you legal or accounting advice.

Information on AIRC Website

We recommend you and your accountant/auditor refer to the following documents on the Commission's website at www.airc.gov.au:

- RAO Schedule and RAO Regulations
- Registrar's Reporting Guidelines All GPFR's must comply with these Guidelines.
 Please note that the Guidelines set out requirements that are in addition to those required by the Australian Accounting Standards.
- RAO Fact Sheets These Fact Sheets explain the new requirements of the RAO Schedule many of them deal with financial reporting matters.

Yours sincerely

Mr Jeffrey Lawrence National Secretary Liquor, Hospitality and Miscellaneous Union Level 9 187 Thomas Street HAYMARKET NSW 2000

Dear Mr Lawrence

Financial Return - year ending 30 June 2004 Ref: FR2004/564

This letter is intended to remind you of your obligations to provide members with copies of your reporting unit's financial reports for year ended 30 June 2004 and to lodge the reports in the Industrial Registry by no later than 14 January 2005.

Over the past 18 months you would have received from us information about the major changes made by Schedule 1B of the Workplace Relations Act 1996 ('RAO' 43).

Financial Reports

Your reporting unit must prepare or have prepared the following three reports as soon as practicable after its financial year:

- 1. A General Purpose Financial Report (GPFR);
- An Operating Report; and
- 3. An Auditor's Report.

Informing Your Members

Your reporting unit must provide free of charge to the general membership, copies of the abovementioned reports (the "full report"). Under certain circumstances, your reporting unit can provide a more limited concise report. The report must be provided within 5 or 6 months from the end of the financial year, depending on the internal arrangements of the reporting unit for the presentation of its financial reports.

A reporting unit may make application to a Registrar to extend the period within which copies of the full report or concise report are to be provided to members by no more than one month.

The Second Meeting - if it is a General Meeting of Members

After providing the full report to members it must be presented to a general meeting of members (the second meeting). This meeting must be held within 6 months of the end of the financial year. You may make application to a Registrar to extend this time limit by no more than one month so that the time limit for providing to members copies of the full report or concise report may in turn be extended.

⁴³ Registration and Accountability of Organisations Schedule (RAO) (Schedule 1B to the Workplace Relations Act 1996)

Your reporting unit must always allow a minimum of 21 days for members to receive the full report before presenting it to a general meeting of members (\$265(5)). The purpose of the interval and the second meeting is to enable the members to have time to consider the report and, if they wish, to attend the second meeting to discuss it.

If the rules of the organisation permit a general meeting to be a series of meetings held at different locations, the full report may be presented to such a series of meetings. In this case the 'date' of the general meeting is taken to be the date of the last meeting in the series (see s266(2)).

The Second Meeting - if it is a Committee of Management Meeting

If your rules contain a provision that allows up to 5% of members to demand a general meeting to be held to consider the full report (see s266(3)), it is permissible to present the full report directly to a Committee of Management meeting. This meeting must be held within 6 months of the end of the financial year.

There is no provision for extending the time limit for presenting the full report to a committee of management meeting.

Lodge full report within 14 days of meeting

You must lodge a copy of the full report and any concise report in the Industrial Registry within 14 days of the second meeting. Your reporting unit's financial reports should, therefore, be lodged by no later than 14 January 2005.

We encourage you to contact the Registry on (02) 8374 6666 or by e-mail at peter.mckerrow@air.gov.au as early as possible if you have any queries. If you have already taken steps to ensure that your reporting unit complies with the time scale requirements of RAO, please ignore this letter.

INDEPENDENT AUDIT REPORT

To the members of the Liquor, Hospitality and Miscellaneous Union, National Council.

Matters relating to the Electronic Presentation of the Audited Financial Report

This audit report relates to the financial report of the Liquor, Hospitality and Miscellaneous Union, National Council for the year ended 30 June 2004 included on the Liquor, Hospitality and Miscellaneous Union web site. National Executive and Secretary of the Liquor, Hospitality and Miscellaneous Union — National Council are responsible for the integrity of the Liquor, Hospitality and Miscellaneous Union web site. The audit report refers only to the statements named below. It does not provide an opinion on any other information that may have been hyper linked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on the web site.

Scope

The Financial Report and the Responsibility of the National Executive and National Secretary

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements and the National Executive's statement for the Liquor, Hospitality and Miscellaneous Union — National Council, for the year ended 30 June 2004.

The National Executive and the National Council secretary are responsible for the preparation and true and fair presentation of the financial report in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the National Council. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal controls, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Workplace Relations Act 1996, including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia a view which is consistent with our understanding of the National Council's financial position and its performance as represented by the results of its operations and cash flows.

NATIONAL COUNCIL

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the National Executive and the National Secretary.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Workplace Relations Act 1996.

Audit Opinion

In our opinion the financial report of Liquor, Hospitality and Miscellaneous Union –National Council is in accordance with:

- (a) the Workplace Relations Act 1996, including:
 - (i) giving a true and fair view of the National Council's financial position as at 30 June 2004 and its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards; and
 - (iii) complying with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of Schedule 1B of the Act; and
- (b) other mandatory professional reporting requirements in Australia.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2004

1. STATEMENT OF ACCOUNTING POLICIES

The financial report has been prepared and presented in accordance with applicable Accounting Standards, other mandatory professional requirements and the Workplace Relations Act, 1996. The financial report has also been prepared on the basis of historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant policies adopted by the Union in the preparation of the accounts.

- (a) Depreciation of fixed assets is calculated on the straight line basis in order to write the assets off over their useful lives to the Union.
- (b) Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated entitlements of all employees on the basis of their terms of employment.
 - The provisions have been measured at the amounts expected to be paid when the liability is settled.
 - In the case of Long Service Leave, the provision has been measured by reference to periods of service and current salary rates as it is considered that this results in an amount not materially different to that achieved by discounting estimated future cash flows.
 - Contributions are made by the Union to employee superannuation funds and are charged as expenses when incurred.
- (c) No provision for Income Tax is necessary as the Union is exempt from Income Tax under Section 50-15 of the Income Tax Assessment Act 1997.

2. INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the Workplace Relations Act, 1996, the attention of members is drawn to the provisions of Sub-Sections [1], [2] and [3] of Section 272 of Schedule 1B which read as follows:-

- [1] A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- [2] The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- [3] A reporting unit must comply with an application made under subsection (1).

15. AUSTRALIAN EQUIVALENTS TO INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs)

For the year ended 30 June 2006, all general purpose financial reports will be required to comply with Australian equivalents to International Financial Reporting Standards (IFRSs) instead of Australian Accounting Standards presently on issue. Comparative financial statements must also be presented in accordance with Australian equivalents to IFRSs for the year ended 30 June 2005.

The National Executive considers that no key accounting policy changes will arise out of this transition to IFRSs.

A more detailed review will be conducted during the year ending 30 June 2005.

Credit Risk Exposure

Credit risk is the risk that counter parties to a financial asset will fail to discharge their obligations, causing the National Council to incur a financial loss.

The credit risk exposure of the National Council to financial assets which have been recognised in the Statement of Financial Position is generally the carrying amounts, net of any provisions for doubtful debts.

The carrying amounts of cash and non-interest bearing monetary financial assets and liabilities (eg receivables and payables) approximate net fair values.
