

25 February 2020

Paul Richardson Director - Finance, Governance and Administration United Workers' Union

Sent via email: paul.richardson@unitedworkers.org.au

CC: gkent@mgisq.com.au

Dear Paul Richardson,

United Voice - New South Wales Branch Financial Report for the year ended 30 June 2019 – (FR2019/218)

I acknowledge receipt of the financial report for the year ended 30 June 2019 for the United Voice - New South Wales Branch (**the reporting unit**). The documents were lodged with the Registered Organisations Commission (**the ROC**) on 19 December 2019. I also acknowledge receipt of a copy of the signed auditor's report for the year ended 30 June 2019, which was lodged with the ROC on 24 February 2020.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (**RO Act**) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines (**RGs**) have been complied with. A primary review does not examine all disclosure requirements.

You are not required to take any further action in respect of the report lodged. I make the following comments in relation to the lodged financial report.

General purpose financial report

Officer's declaration statement – to include all nil activity disclosures not elsewhere disclosed

Item 21 of the RGs states that if any of the activities identified within items 10-20 of the RGs have not occurred in the reporting period, a statement to this effect must be included either in the financial statements, the notes or in the officer's declaration statement. I note that the officer's declaration statement includes the following nil activity disclosures for which there was already an equivalent form of disclosure in the body of the notes:

"Agree to receive financial support from another reporting unit to continue as a going concern" and "agree to provide financial support to another reporting unit to ensure they continue as a going concern" are disclosed in both note 1.21 and the officer's declaration statement:

- "Pay a grant that was \$1,000 or less" and "pay a grant that exceeded \$1,000" are disclosed in both note 4F and the officer's declaration statement; and
- "Pay a separation and redundancy expense for employees (other than holders of offices)" is disclosed in both note 4A and the officer's declaration statement.

Please note that nil activities only need to be disclosed once.

I also note that the notes and the officer's declaration statement contained nil activity information for all prescribed RG categories except the following:

- Receive capitation fees from another reporting unit (RG 13(b));
- Have a liability for other employment provisions for holders of offices (RG 16(c)(iv)); and
- Have a liability for other employment provisions for employees (other than holders of offices) (RG 16(d)(iv)).

Operating report

Trustee of superannuation entity

Subsection 254(2)(d) of the RO Act requires details of any officer or member of the reporting unit who is a trustee, or a director of a company that is a trustee, of a superannuation entity or an exempt public sector superannuation scheme.

If no officers or a member of the reporting unit is a trustee of a superannuation entity, the preferred wording to satisfy the subsection 254(2)(d) is:

No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of an organisation.

I note that the operating report does not include any disclosure in relation to trustee of superannuation entity.

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 RGs and a model set of financial statements.

The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 RGs and Australian Accounting Standards. Access to this information is available via this link.

If you have any queries regarding this letter, please contact me on (03) 9603 0764 or via email at kylie.ngo@roc.gov.au.

Yours sincerely,

Kylie Ngo

COMMITTEE OF MANAGEMENT'S OPERATING REPORT

FOR THE YEAR ENDED 30 JUNE 2019

Operating Report

The Committee of Management presents its report on the operation of United Voice – New South Wales Branch (the Branch) for the financial year ended 30 June 2019.

Principal Activities

The principal activities of the Branch during the year fell in the following categories:

- Organising existing members and new members
- Bargaining, negotiating and arbitrating for improvements in wages and conditions of employment for members of the Branch.
- Representing members in work related grievances or other matters
- Undertaking training and development for delegates of the Branch.

Over the year the Branch negotiated many Collective Agreements delivering improvements in wages and conditions to United Voice members. The Branch has also worked with the NSW Government to secure ongoing employment and important conditions for school cleaners in the net NSW Whole of Government Facility Management Services (Asset Maintenance and Cleaning Contract).

There have been no changes in the principal activities of the Branch during the year.

Operating Result

The Branch ended the 2018-19 year with an operating deficit of \$143,403 (2017-18: \$217,106).

The income of the Branch decreased in 2018-19 by 5.73% to \$10,959,126. This decline was primarily driven by a fall in membership income as the number of financial members of the Branch declined during the year.

Expenses decreased in 2018-19 by 6.25% to \$11,102,529, which was predominately driven by a reduction property costs of \$538,326 due to the sale of the building located at 187 Thomas Street, Haymarket.

UNITED VOICE – NEW SOUTH WALES BRANCH COMMITTEE OF MANAGEMENT'S OPERATING REPORT FOR THE YEAR ENDED 30 JUNE 2019

Significant Changes in Financial Affairs

On 30 August 2019, members of both the National Union of Workers and United Voice voted to amalgamate and create the United Workers Union. A copy of the declarations of the amalgamation ballot conducted by the Australian Electoral Commission are available at www.fwc.gov.au/cases-decisions-orders/major-cases/united-voice-national-union-workers-proposed-amalgamation

The Fair Work Commission has listed a hearing for 1 October 2019 for the purpose of determining an amalgamation date for the United Workers Union pursuant to s73 of the Fair Work (Registered Organisations) Act 2009. The unions will be seeking an amalgamation date of 11 November 2019.

As a result, these financial statements have been prepared on a liquated basis, as the reporting unit will not continue to operate post amalgamation. As a result, the Branch's assets and liabilities have been recorded at their fair value.

No other significant changes in the financial affairs of the Branch's operations have occurred during the year.

After Balance Date Events

As detailed in Note 2, the members of both the National Union of Workers and United Voice voted to amalgamate and create the United Workers Union (expected to commence from November 2019).

Future Developments

Likely developments in the operations of the Branch or the expected result of those operations in future financial years have not been included in this report as such information is likely to result in unreasonable prejudice to the Branch.

COMMITTEE OF MANAGEMENT'S OPERATING REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2019

Members Right to Resign

All members have the right to resign from the Branch in accordance with National Rule 10 - Resignation of the Union Rules (and Section 174 of the Act); namely, by providing written notice addressed and delivered to the Secretary of the Branch of which they are a member.

Membership of the Branch

Total number of members as at 30 June 2019: 15,489

Employees of the Branch

The number of persons who were, at the end of the period to which the report relates, employees of the Branch, where the number of employees includes both full-time and part-time employees measured on a full-time equivalent basis is 65.28.

Members of the Committee of Management

The name of each person who has been a member of the Committee of Management of the Branch at any time during the reporting period, and the period for which he or she held such a position is as follows:

Name	Period of Appointment	Position
Judith Barber	01/07/18 — 30/06/19	Committee member
Amy Bell	01/07/18 - 30/06/19	Branch Honorary President
Dale Buckmaster	01/07/18 - 30/06/19	Committee member
Christopher Barnes	03/07/18 - 22/02/19	Committee member
Robert Crawford	01/07/18 - 30/06/19	Committee member
Sharon Eurlings	01/07/18 - 30/06/19	Branch Vice President
Melanie Gatfield	01/07/18 - 30/06/19	Branch Secretary
Lilian Grogan	01/07/18 – 30/06/19	Committee member
Jane Grundy	01/07/18 - 30/06/19	Committee member
John Hawker	01/07/18 – 03/07/18	Branch Executive Vice-President (President LHD)
	03/07/18 – 30/06/19	Branch Assistant Secretary (Secretary LHD)
Jeff Higgins	01/07/18 - 30/06/19	Committee member
David Holder	01/07/18 - 30/06/19	Assistant Branch Secretary (LHD
		Assistant Secretary)
Wesley Inglis	01/07/18 – 30/06/19	Committee member
Josef Jindra	03/07/18 - 30/06/19	Committee member
Julie Korlevska	01/07/18 - 30/06/19	Branch Assistant Secretary
Vanessa McGrath	01/07/18 – 30/06/19	Committee member
Tara Moriarty	01/07/18 — 03/07/18	Branch Assistant Secretary (Secretary LHD)
	03/07/18 – 30/06/19	Branch Executive Vice-President (President LHD)
lan Pandilovski	01/07/18 - 30/06/19	Committee member
David Perkins	01/07/18 – 03/07/18	Committee member
Sharon Seddon	03/07/18 - 30/06/19	Committee member
Ruth Sorbello	01/07/18 – 30/06/19	Committee member
Jan Tuiach	01/07/18 – 30/06/19	Committee member
Robyn Weate	01/07/18 – 30/06/19	Committee member

COMMITTEE OF MANAGEMENT'S OPERATING REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2019

Wage Recovery Activity

The Branch continuously undertakes recovery of wages on behalf of members. It is Branch policy that any successful wage recovery from employers is paid directly to those effected members. As a result, no wage recovery activity is accounted through via the Branch's bank accounts and therefore not reflected in these financial statements.

Auditor's Independence Declaration

A copy of the auditor's independence declaration is set out on page 6.

This report is made in accordance with a resolution of the Committee of Management and is signed for and on behalf of the Committee of Management by:

Melanie Gatfield Branch Secretary

COMMITTEE OF MANAGEMENT STATEMENT

FOR THE YEAR ENDED 30 JUNE 2019

On 1 October 2019, the Committee of Management of the Branch passed the following resolution to the General Purpose Financial statements (GPFR) of the reporting unit for the financial year ended 30 June 2019.

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Branch for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the Branch will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
- i. meetings of the Committee of Management were held in accordance with the rules of the organisation and the rules of the Branch concerned; and
- ii. the financial affairs of the Branch have been managed in accordance with the rules of the organisation, including the rules of the branch concerned; and
- iii. the financial records of the Branch have been kept and maintained in accordance with the RO Act; and
- iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
- v. where information has been sought in any request of a member of the reporting unit or Commissioner duly made under section 272 of the RO Act, that information has been provided to the member or Commissioner; and
- vi. where any order for inspection of financial records made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

Name of Designated Officer:

Melanie Gatfield

Title of Designated Officer:

Branch Secretary

Signature:

Date:

ACCOUNTING OFFICER'S CERTIFICATE

FOR THE YEAR ENDED 30 JUNE 2019

I, Melanie Gatfield, being the officer responsible for keeping the accounting records of United Voice – New South Wales Branch (the Union), certify that at 30 June 2019, the number of members of the Union was 15,489.

In my opinion:

- (i) The attached accounts show a true and fair view of the financial affairs of the Union as at 30 June 2019.
- (ii) A record has been kept of all monies paid by, or collected from members and all monies paid or collected have been credited to the bank account to which those monies are to be credited, in accordance with the Rules of the Union.
- (iii) Before any expenditure was incurred by the Union, approval of the incurring of the expenditure was obtained in accordance with the Rules of the Union.
- (iv) With regard to finds of the Union raised by compulsory levies or voluntary contributions from members, or funds other than the general fund operated in accordance with the Rules, no payments were made out of any such funds for purposes other than those for which the fund was operated.
- (v) No loans or other financial benefits, other than remuneration in respect of their full time employment with the Union, were made to persons holding office in the Union.
- (vi) The register of members of the Union was maintained in accordance with the NSW *Industrial Relations Act 1996*.

COMMITTEE OF MANAGEMENT CERTIFICATE

FOR THE YEAR ENDED 30 JUNE 2019

We, Melanie Gatfield and Julie Korlevska, being two members of the Committee of Management of United Voice – New South Wales Branch, do state on behalf of the Committee, and in accordance with the resolution passed by the Committee that:

- (i) In the opinion of the Committee of Management, the attached accounts show a true and fair view of the financial affairs of the Union as at 30 June 2019.
- (ii) In the opinion of the Committee of Management, meetings of the Committee were held in the year ended 30 June 2019 in accordance with the Rules of the Union
- (iii) To the knowledge of any members of the Committee, there have been no instances were records of the Union or other documents (not being documents containing information made available to a member of the Union under sub-section 512(2) of the *Industrial Relations Act 1991* as applied by sub-section 282(3) of the *Industrial Relations Act 1996*) or copies of the rules of the Union, have not been furnished, or made available to members in accordance with the requirements of the *Industrial Relations Act 1996*, there Regulations thereto, or the rules of the Union.
- (iv) The Union has complied with sub-section 517(1) and (5) of the *Industrial Relations Act 1991*, in relation to the financial accounts in respect of the period 30 June 2019 and the Auditor's Report thereon.

Independent Audit Report to the Members of United Voice – New South Wales Branch

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of United Voice – New South Wales Branch (the Branch), which comprises the statement of financial position as at 30 June 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended, notes to the financial statements, including a summary of significant accounting policies; and the Committee of Management Statement, the subsection 255(2A) report and the Officer Declaration Statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the United Voice – New South Wales Branch as at 30 June 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Branch in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Regarding Liquidation Valuation Basis

Without qualifying the opinion expressed above, attention is drawn to Note 1 in the financial report which states that the report of the Branch has been prepared on a liquidation basis, given the members of both the National Union of Workers and United Voice have agreed to amalgamate to form the United Workers Union. The assets and liabilities of the Branch therefore have been measured at their estimated net realisable value and expected settlement amounts respectively.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The Committee of Management of the Branch is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Branch or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Branch's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

Auditor's Responsibilities for the Audit of the Financial Report (continued)

- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Branch's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Branch to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Branch to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Branch's audit. We remain solely responsible for our audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Declaration

I declare that I am an approved auditor, a member of Chartered Accountants Australia and New Zealand and hold a current Public Practice Certificate.

I declare that I am an auditor registered under the RO Act.

Note 1 Summary of significant accounting policies

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the *Fair Work (Registered Organisation) Act 2009*. For the purpose of preparing the general purpose financial statements, United Voice – New South Wales Branch (the Branch) is a not-for-profit entity.

Liquidated Basis of Preparation

As referred to in the Operating Report, on 30 August 2019, members of both the National Union of Workers and United Voice voted to amalgamate and create the United Workers Union

Due to the intention to amalgamate and therefore no longer operate out of the Branch, the Committee of Management have determined that the going concern basis of preparation (as applied in previous years) is no longer appropriate. Accordingly the financial statements are not prepared on a going concern basis. The Committee of Management have applied the requirements of paragraph 25 of AASB 101 Presentation of Financial Statements which states that 'when the financial report is not prepared on a going concern basis, that fact shall be disclosed, together with the basis on which the financial report is prepared and the reason why the entity is not regarded as a going concern'.

Impact of adopting the liquidation basis of preparation on measurement, classification of assets and liabilities, and disclosures in the financial report

Under the liquidation basis of preparation, assets and liabilities are measured at their liquidation value. The liquidation value of assets is their net realisable value. Net realisable value is based on the proceeds receivable on disposal less restructure and liquidation costs as detailed in the accounting policies noted below. The liquidation value of liabilities is their expected settlement amount as detailed in the accounting policies noted below. Any gains or losses resulting from measuring assets and liabilities to the liquidation value are recognised in profit or loss.

Note 1 Summary of significant accounting policies (Continued)

Under the liquidation basis of accounting, all assets and liabilities are classified as current. In adopting the liquidation basis, the Committee of Management have continued to apply the disclosure requirements of Australian Accounting Standards, to the extent they are relevant to the liquidation basis, and have modified them where this is considered appropriate. In particular, the financial report does not include all of the disclosures required by the following standards on the basis that the disclosures are not considered relevant for decision-making by users as described below:

- AASB 5 Non-current Assets Held for Sale and Discontinued Operations
 Given that the entire reporting unit is to be discontinued, the disclosures under AASB 5 that
 separate between continuing and discontinuing operations are not considered relevant to
 users.
- AASB 7 Financial Instruments: Disclosures
 The information on exposures to financial risks are not considered relevant to users given that the financial risk exposures are not representative of the risks that will exist going forward.

The accounting policies adopted are consistent with those of the previous financial year except for changes specified related to the adoption of the liquidation basis of preparation.

Comparative information has not been restated, and is measured and presented on a going concern basis.

Significant accounting estimates, judgements and assumptions

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the reporting unit's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in below:

The preparation of financial statements requires estimates and assumptions concerning the application of accounting policies to be made by the reporting unit. Estimates are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Note 1 Summary of significant accounting policies (Continued)

Liquidation value and liquidation expenses

Under the liquidation basis of accounting, assets and liabilities are measured at liquidation value. The liquidation value of assets and liabilities is the estimated value for which assets are realised and liabilities settled.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

The following accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Key Estimates

Impairment - general

The Branch assesses impairment at each reporting period by evaluation of conditions and events specific to the Branch that may be indicative of impairment triggers. Recoverable amounts of relevant assets are assessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of the current year.

Key Judgements

Useful lives of plant and equipment

Plant and equipment are depreciated over the useful life of the asset and the depreciation rates are assessed when the asset are acquired or when there is a significant change that affects the remaining useful life of the asset.

Provision for impairment of receivables

The value of the provision for impairment of receivables is estimated by considering the ageing of receivables, communication with the debtors and prior history.

On-cost for employee entitlement provision

The Branch revised its estimate for on-costs for employee provision during the year to include superannuation, workers compensation and payroll tax.

Note 1 Summary of significant accounting policies (Continued)

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

The accounting policies adopted are consistent with those of the previous financial year except for the following standards and amendments, which have been adopted for the first time this financial year

AASB 9 Financial Instruments and relevant amending standards, which replaces AASB 139
 Financial Instruments: Recognition and Measurement.

Impact on adoption of AASB 9

Initial application

AASB 9 Financial Instruments (AASB 9) replaces AASB139 Financial Instruments: Recognition and Measurement (AASB 139) for annual periods beginning on or after 1 January 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement; impairment; and hedge accounting.

The Branch has applied AASB 9 retrospectively, with an initial application date of 1 July 2018.

The adoption of AASB 9 did not have any material impact on the amount disclosed in the comparative financial year.

Note 1 Summary of significant accounting policies (Continued)

1.4 New Australian Accounting Standards (Continued)

Future Australian Accounting Standards Requirements

 AASB 1058 Income of Not-for-Profit Entities (AASB 1058) and AASB 15 Revenue from Contracts with Customers (AASB 15)

AASB 1058 clarifies and simplifies the income recognition requirements that apply to not-to-profit (NFP) entities, in conjunction with AASB 15 Revenue from Contracts with Customers. These Standards supersede all the income recognition requirements relating to private sector NFP entities, and the majority of income recognition requirements relating to public sector NFP entities, previously in AASB 1004 Contributions.

Under AASB 1058, the timing of income recognition depends on whether a NFP transaction gives rise to a liability or other performance obligation (a promise to transfer a good or service), or a contribution by owners, related to an asset (such as cash or another asset) received by an entity.

This standard applies when a NFP entity enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives. In the latter case, the entity will recognise and measure the asset at fair value in accordance with the applicable Australian Accounting Standard (e.g. AASB 116 Property, Plant and Equipment).

Upon initial recognition of the asset, AASB 1058 requires the entity to consider whether any other financial statement elements (called 'related amounts') should be recognised, such as:

- Contributions by owners;
- Revenue, or a contract liability arising from a contract with a customer;
- A lease liability;
- A financial instrument; or
- A provision.

These related amounts will be accounted for in accordance with the applicable Australian Accounting Standard.

The Branch is yet to undertake a detailed assessment of the impact of AASB 1058 and AASB 15. However, based on the Branch's preliminary assessment, the Standards are not expected to have a material impact on the transactions and balances recognised in the financial statements when it is first adopts for the year ending 30 June 2020.

Note 1 Summary of significant accounting policies (Continued)

1.4 New Australian Accounting Standards (Continued)

Future Australian Accounting Standards Requirements (continued)

 AASB 16: Leases (applicable to annual reporting periods beginning on or after 1 January 2019)

When effective, this Standard will replace the current accounting requirements applicable to leases in AASB 117: Leases and related Interpretations. AASB 16 introduces a single lessee accounting model that eliminates the requirement for leases to be classified as operating or finance leases. The main changes introduced by the new Standard include:

- recognition of a right-to-use asset and liability for all leases (excluding short-term leases with less than 12 months of tenure and leases relating to low-value assets);
- depreciation of right-to-use assets in line with AASB 116: Property, Plant and Equipment in profit or loss and unwinding of the liability in principal and interest components;
- variable lease payments that depend on an index or a rate are included in the initial measurement of the lease liability using the index or rate at the commencement date;
- by applying a practical expedient, a lessee is permitted to elect not to separate non-lease components and instead account for all components as a lease; and
- additional disclosure requirements.

The transitional provisions of AASB 16 allow a lessee to either retrospectively apply the Standard to comparatives in line with AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors or recognise the cumulative effect of retrospective application as an adjustment to opening equity on the date of initial application.

The Committee of Management does not believe the effects of AASB 16 will significantly affect the Branch.

Note 1 Summary of significant accounting policies (Continued)

1.5 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

Donation income is recognised when it is received.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Interest revenue is recognised on an accrual basis using the effective interest method.

Rental revenue from operating leases is recognised on a straight-line basis over the term of the relevant lease.

1.6 Gains

Sale of assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

1.7 Capitation fees and levies

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

Note 1 Summary of significant accounting policies (Continued)

1.8 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. The reporting unit recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

1.9 Leases

Operating lease payments are expensed on a straight-line basis which is representative of the pattern of benefits derived from the leased assets.

Rental revenue from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

1.10 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Note 1 Summary of significant accounting policies (Continued)

1.11 Financial instruments

Financial assets and financial liabilities are recognised when the Branch becomes a party to the contractual provisions of the instrument.

1.12 Financial assets

Initial recognition and Measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Branch's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Branch initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Branch's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Branch commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in five categories:

- (Other) financial assets at amortised cost
- (Other) financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income
- (Other) financial assets at fair value through profit or loss
- (Other) financial assets designated at fair value through profit or loss

Note 1 Summary of significant accounting policies (Continued)

Financial assets at amortised costs

The reporting unit measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Branch's financial assets at amortised cost includes trade receivables and loans to related parties.

Financial assets at fair value through profit or loss (including designated)

Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Derivatives, including separated embedded derivatives, are also classified as held for trading unless they are designated as effective hedging instruments. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortised cost or at fair value through OCI, as described above, debt instruments may be designated at fair value through profit or loss on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in profit or loss.

Note 1 Summary of significant accounting policies (Continued)

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Branch has transferred its rights to receive cash flows from the asset or has assumed an
 obligation to pay the received cash flows in full without material delay to a third party under a
 'pass-through' arrangement; and either:
 - a) The Branch has transferred substantially all the risks and rewards of the asset, or
 - b) the Branch has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Branch has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Branch continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Impairment

(i) Trade receivables

For trade receivables that do not have a significant financing component, the Branch applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Branch does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Branch has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

Note 1 Summary of significant accounting policies (Continued)

(ii) Debt instruments other than trade receivables

For all debt instruments other than trade receivables and debt instruments not held at fair value through profit or loss, the Branch recognises an allowance for expected credit losses using the general approach. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Branch expects to receive, discounted at an approximation of the original effective interest rate.

ECLs are recognised in two stages:

- Where there has not been a significant increase in credit risk since initial recognition, ECLs
 are provided for credit losses from possible default events within the next 12-months (a 12month ECL).
- Where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the debt, irrespective of the timing of the default (a lifetime ECL).

The Branch considers a financial asset in default when contractual payments are 60 days past due. However, in certain cases, the Branch may also consider a financial asset to be in default when internal or external information indicates that the Branch is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

1.13 Financial Liabilities

Financial liabilities are classified at initial recognition, at amortised cost unless or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

Subsequent Measurement

Financial liabilities at fair value through profit or loss (including designated)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in AASB 9 are satisfied.

Note 1 Summary of significant accounting policies (Continued)

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

1.14 Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.15 Plant and Equipment

Asset Recognition Threshold

Purchases of land, buildings, plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Note 1 Summary of significant accounting policies (Continued)

Revaluations—Land and Buildings

Following initial recognition at cost, land and buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Depreciation

Depreciable plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

	2019	2018
Buildings/ leasehold improvements	40 years	40 years
Investment properties	66.6 years	66.6 years
Computers	3.3 years	3.3 years
Office equipment	5 - 10 years	5 - 10 years
Motor vehicles	4 – 6 years	4 – 6 years

Derecognition

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

1.16 Interest in Joint Arrangements

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Joint operations represent arrangement whereby joint operations maintain direct interest in each asset and exposure to each liability of the arrangement. The Branch's interest in the assets, liabilities, revenues and expenses of joint operations are included in the respective line items of the financial statements. Details of the Branch's interest are disclosed in Note 6K.

Note 1 Summary of significant accounting policies (Continued)

1.17 Investment Property

Investment properties are initially recognised at cost including any acquisition costs and subsequently stated at fair value at each balance date. Fair value is based on the latest independent valuation adjusting for capital expenditure and capitalisation and amortisation of lease incentives since the date of the independent valuation report. Any gain or loss arising from a change in fair value is recognised in the profit or loss in the period. The valuation of investment properties is a key area of accounting estimation and judgement for the Branch.

Subsequent costs

Subsequent costs are recognises in the carrying amount of an investment property if it is probable that the future economic benefits embodied within the item will flow to the Branch and the cost can be measured reliably. All other costs are recognised in the profit or loss as an expense as incurred.

Derecognition of investment property

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss in the period in which the property is derecognised.

1.18 Impairment of non-financial assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Branch were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

1.19 Intangible Assets

United Voice – New South Wales Branch has the right to occupy land and buildings at Sussex Inlet and amortise it over the period of its useful life. The Branch controls the current use and future economic benefits embodied in this asset. As such the property has been brought to account at cost as an intangible right to occupy the property.

Website costs have a finite useful life and are amortised on a systematic basis based on the future economic benefits over the useful life of the website.

Note 1 Summary of significant accounting policies (Continued)

1.20 Taxation

The Branch is exempt from income tax under section 50.1 of the *Income Tax Assessment Act* 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- · for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.21 Fair value measurement

The Branch measures financial instruments, such as, financial asset as at fair value through the profit and loss, available for sale financial assets, and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 15.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Branch. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Branch uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Note 1 Summary of significant accounting policies (Continued)

1.21 Fair value measurement (continued)

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Branch determines whether transfers have occurred between Levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the Branch has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

1.22 Going concern

The Branch is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis.

The Branch has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis.

1.23 Government Grants

Government grants are not recognised until there is reasonable assurance that the Branch will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Branch recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Branch should purchase, construct otherwise acquire non-current assets are recognised as deferred revenue in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Branch with no future related costs are recognised in profit or loss in the period in which they become receivable.

Note 1 Summary of significant accounting policies (Continued)

1.24 Principles of Aggregation

Theses aggregated financial statements of United Voice – New South Wales Branch comprise of the Branch's head office in Haymarket and the Liquor and Hostility Division in Parramatta. All intergroup transactions and balances have been eliminated.

Note 2 Events after the reporting period

On 30 August 2019, members of both the National Union of Workers and United Voice voted to amalgamate and create the United Workers Union. A copy of the declarations of the amalgamation ballot conducted by the Australian Electoral Commission are available at www.fwc.gov.au/cases-decisions-orders/major-cases/united-voice-national-union-workers-proposed-amalgamation

Under the proposed structure, all reporting units of the National Union of Workers (80V) and United Voice (108V) (with the exception of the National Council) are to be abolished. Under the scheme, the following is to occur:

- All assets and liabilities of the National Union of Workers and United Voice will be consolidated into the United Voice – National Council.
- 2. United Voice National Council is to be renamed the United Workers Union
- 3. Officers of both the former National Union of Workers and United Voice will be translated into the new offices of the United Workers Union
- Members of the former National Union of Workers and United Voice will become members of the United Workers Union.
- Employees of the National Union of Workers and United Voice will become employees of the United Workers Union.

A copy of the rules of the United Workers Union which include at Schedule 5 the transitional matters is available at www.anewunion.org.au/blog/

Upon the amalgamation date the United Workers Union will commence operations, resulting in the existing National Union of Workers and United Voice reporting units to cease operations.

The Branch entered into a sales contract in April 2018 for the sale of its investment property located at 187 Thomas Street, Haymarket.

The terms of the agreement are as follows:

- 1. Settlement to occur on 5 October 2018
- 2. Sales price of \$145,800,000

In accordance with AASB 5 – Non-current Assets Held for Sale and Discontinued Operations, the Branch has valued the asset at its fair value less costs to sell. The amount listed in the financial statements represents the 50% ownership of the building by the Branch.

Valuation Details

On 12 August 2019 (with an effective date of 30 June 2019), the land and buildings at 19 Argyle Street, Parramatta were valued by Mr Michael McDonald AAPI CPV (Registered Valuers Number: 2205 of Independent Valuations Pty Ltd. It has been determined that the highest and best use of this property is its current use – being a commercial office building. The value has been determined using the market comparable method, which is based on active market prices, adjusted for the difference in the nature, location or condition of the property.

It was determined that the buildings current use (being a commercial office complex) is currently the assets highest and best use.

During the year the Branch (in conjunction with United Voice – National Council) made a 10% deposit for the purchase of land and buildings located at 37 Greek Street, Glebe NSW 2037. The above amount represents the Branch's 50% share of the deposit (refer Note 11 for further details regarding capital commitments).

2019 2018 \$

Note 6K: Joint Arrangements - Thomas Street Property

Detailed below is the Branch's 50% share of the assets, liabilities, revenue and expenses for the joint operation in the property located at 187 Thomas Street, Haymarket. This property was held in partnership with United Voice – National Council for the purpose of earning a rental income. In October 2018, the property was sold and the net proceeds were distributed between both the Branch and United Voice – National Council.

Note 11 Contingent Liabilities, Assets and Commitments

Note 11A: Commitments and Contingencies

Capital Commitments	2019 \$	2018 \$
During the year, the Branch (in conjunction with United Voice – National Council), entered into a purchase contract for the land and buildings located at 19-37 Greek Street, Glebe NSW 2037		
It has been agreed by both the Branch and United Voice – National Council to jointly purchase the building. The terms of the agreement are:		
Purchase consideration	42,963,975	-
Less: 10% deposit Remaining capital commitment	(4,296,397) 38,667,578	
Total capital commitment of the Branch (representing 50%)	19,333,789	-

It is anticipated that the building will be settled during the 2020 financial year.

Other contingent assets or liabilities (i.e. legal claims)

Guarantees

Guarantees on leased property

352,223

The Branch previously held guarantees (which represents approximately 1 months rent) on the office space leased within the investment property (187 Thomas Street, Haymarket)

The Committee of Management is not aware of any other contingent assets or liabilities that are likely to have a material effect on the results of the Branch.

Note 11 Contingent Liabilities, Assets and Commitments (Conitnued)

Note 11A: Commitments and Contingencies (continued)

2019	2018

Leasing Commitments

Operating Leases (as a lessee)

Non-cancellable operating leases rentals are receivable as follows.

Receivable - Minimum lease payments

not later than 12 months	673,865
between 12 months and 5 years	-
greater than 5 years	-
Minimum lease payments	673,865

The Branch leased office space under operating leases. The leases ran for a period ranging between 2 to 5 years with an option to renew the lease after that date. Lease payments are reviewed regularly to reflect market rentals. The above discloser represents the Branch's former 50% ownership in the investment property located at 187 Thomas Street, Haymarket.

On 5 October 2018, the Branch sold the investment property located at 187 Thomas Street, Haymarket. As a result, the above minimum lease payments represent those non-cancellable operating leases up to settlement date.

Operating Leases (as a lessor)

Non-cancellable operating leases rentals are receivable as follows

Payable - Minimum lease payments

not later than 12 months	287,029	-
between 12 months and 5 years		-
greater than 5 years		_
Minimum lease payments		_

The Branch leases Level 1, 187 Thomas Street, Haymarket. The lease was for a 12 month period expiring on 4 October 2019, with a 6 month extension, which the Committee of Management have exercised.

Note 12 Related Party Disclosures

Note 12A: Related Party Transactions for the Reporting Period Holders of office and related reporting units

For financial reporting purposes, under the Fair Work (Registered Organisations) Act 2009, United Voice is divided into the following separate reporting units (and deemed related parties):

United Voice—National Council (UV – National Council – incorporating Tasmania, Northern Territory and Australian Capital Territory Branches)

United Voice - Queensland Branch (UV - Qld Branch) and controlled entities

United Voice - Victoria Branch (UV Vic Branch)

United Voice - South Australia Branch (UV SA Branch)

Untied Voice - Western Australia Branch (UV WA Branch)

The following table provides the total amount of transactions that have been entered into with related parties for the relevant year.

	2019	2018
	\$	\$
Revenue received from United Voice – National Council includes the following:		
Reimbursement of office, travel and administration expenses	60,862	27,273

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 30 June 2018, the Branch has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2017: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

UNITED VOICE - NEW SOUTH WALES BRANCH

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 30 JUNE 2019

Related Party Disclosures (Continued)

FOR THE TEAR ENDED 30 JUNE 2019

Note 12

Key management personnel comprise those individuals who have the authority and responsibility for planning, directing and controlling the activities of the Branch. The Branch has determined key management personnel comprise of:

- Melanie Gatfield (Branch Secretary)
- John Hawker (Liquor & Hospitality Divisional Secretary)
- Julie Korlevska (Branch Assistant Secretary)
- David Holder (Liquor & Hospitality Divisional Assistant Secretary)
- All remaining members of the Committee of Management.

During the year, key management personnel of the Branch were remunerated as follows:	2019	2018
	\$	\$
Note 12B: Key Management Personnel Remuneration for the Re	porting Period	
Short-term employee benefits		
Salary (including annual leave)	593,701	56 7 ,086

Total remuneration of auditors and professional fees	191,832	119,682

No non-audit services were provided by the external auditor to the Branch during the year.

Note 14 Financial Instruments

Financial Risk Management Policy

The Branch Committee of Management monitors the Branch's financial risk management policies and exposure and approves financial transactions entered into. It also reviews the effectiveness of internal controls relating to the counterparty credit risk, liquidity risk, market risk and interest rate risk. The Branch Committee of Management meets on a regular basis to review the financial exposure of the Branch.

(a) Credit Risk

Exposure to credit risk relating to financial assets arise from the potential non-performance by counterparties of contract obligations that could lead to a financial loss of the Branch. The Branch does not have any material credit risk exposures as its major source of revenue is the receipt of membership fees.

The maximum exposures to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of provisions) as presented in the statement of financial position.

The Branch has no significant concentration of credit risk with respect to any single counterparty or group of counterparties. The class of assets described as Trade and Other Receivables is considered to be the main source of credit risk related to the Branch.

On a geographical basis, the Branch's trade and other receivables are all based in Australia.

The following table details the Branch's trade and other receivables exposed to credit risk. Amounts are considered 'past due' when the debt has not been settled, within the terms and conditions agreed between the Branch and the customer or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Branch.

The balance of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Note 14 Financial Instruments (Continued)

Ageing of financial assets that were past due but not impaired for 2019

	Within trading terms/ 0 to 30 days	trading terms/ 0 to 30 days		90+ days	Total

Ageing of financial assets that were past due but not impaired for 2018

	Within trading terms/ 0 to 30 days	31 to 60 days	61 to 90 days	90+ days	Total
	\$.\$	\$	\$	\$
Trade and other receivables	225,114	-	-	-	225,114
Receivables from other reporting units	-	-	-	857	857
Total	225,114	-	-	857	225,971

The Branch has no significant concentrations of credit risk exposure to any single counterparty or group of counterparties.

Credit risk related to balances with banks and other financial institutions is managed by the Committee of Management in accordance with approved policy. Such policy requires that surplus funds are only invested with counterparties with a strong reputation and backed by the Commonwealth Government's bank guarantee. At 30 June 2019, all funds were held by financial institutions backed by the Commonwealth Government's bank guarantee.

Collateral held as security

The Branch does not hold collateral with respect to its receivables at 30 June 2019 (2018: Nil).

Note 14 Financial Instruments (Continued)

(b) Liquidity Risk

Liquidity risk arises from the possibility that the Branch might encounter difficulty in settling its debts or otherwise meeting its obligations in relation to financial liabilities. The Branch manages this risk through the following mechanisms:

- preparing forward looking cash flow estimates;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets;
- only investing surplus cash with major financial institutions; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

The tables below reflect an undiscounted contractual maturity analysis for non-derivative financial liabilities. The Branch does not hold directly any derivative financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates

Note 14 Financial Instruments (Continued)

(c) Market Risk

i. Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Branch is also exposed to earnings volatility on floating rate instruments.

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Branch is also exposed to earnings volatility on floating rate instruments.

Interest rate risk is managed using a mix of fixed and floating financial instruments. The effective interest rate expenditure to interest rate financial instruments are as follows:

	Weighted Average Effective Interest Rate			
	2019	2018	2019	2018
	%	%	\$	\$
Floating rate instruments				
Cash and cash equivalents	0.02	0.02	1,505,974	1,924,912
Investments	2.47	1.99	79,575,628	8,553,023
Long service leave fund	0.12	0.15	13,820	646,319

ii. Foreign exchange risk

The Branch is not exposed to direct fluctuations in foreign currencies.

iii. Price risk

The Branch is no exposed to any material commodity price risk.

iv. Interest rate risk

The Branch has performed a sensitivity analysis relating to its exposure to interest rate risk at balance date. This sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in this risk.

Note 14 Financial Instruments (Continued)

v. Sensitivity Analysis

The following table illustrates sensitivities to the Branch's exposures to changes in interest rates and equity prices. The table indicates the impact of how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities assume that the movement in a particular variable is independent of other variables.

Very anded 00 June 2040	Profit \$	Equity \$
Year ended 30 June 2019 +2% in interest rates -2% in interest rates	1,621,908 (1,609,484)	1,621,908 (1,609,484)
Year ended 30 June 2018 +2% in interest rates -2% in interest rates	222,485 (184,122)	222,485 (184,122)

The above calculations have been based on the following cash assets of the Branch

	Note	2019 \$	2018 \$
Cash at bank	5A	1,505,974	1,924,912
Investments	5C	79,575,628	8,553,023
Long service leave fund	5D	13,820	646,319

No sensitivity analysis has been performed on foreign exchange risk as the Branch has no material direct exposures to currency risk. There have been no changes in any of the assumptions used to prepare the above sensitivity analysis from the prior year.

There have been no changes in any of the assumptions used to prepare the above sensitivity analysis from the prior year.

Note 15 Fair Value Measurement

Fair Values

Fair value estimation

The fair values of financial assets and liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position. Fair value is the amount at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties at an arm's length transaction.

Fair value may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgement and the assumptions have been detailed below. Where possible, valuation information used to calculate fair values is extracted from the market, with more reliable information available from markets that are actively traded.

In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

Differences between fair values and carrying amounts of financial instruments with fixed interest rates are due to the change in discount rates being applied by the market since their initial recognition by the Branch. Most of these instruments, which are carried at amortised cost (i.e. accounts receivable), are to be held until maturity and therefore the fair value figures calculated bear little relevance to the Branch.

The following table contains the carrying amounts and related fair values for the Branch's financial assets and liabilities:

		2019		2018	
	Footnote	Carrying value	Fair value	Carrying value	Fair value
		\$	\$	\$	\$
Financial assets					
Cash and cash equivalents	(i)	1,505,974	1,505,974	1,924,912	1,924,912
Accounts receivable and	``		. ,		
other debtors	(i)	76,741	76,741	225,971	225,971
Investments	(i)	79,575,628	79,575,628	8,553,023	8,553,023
Long service leave fund	(i)	13,820	13,820	646,319	646,319
Shares	(i)	14,299	14,299	15,534	15,534
Total financial assets	.,	81,186,462	81,186,462	11,365,759	11,365,759
Financial liabilities					
Trade payables	(i)	750,700	750,700	812, 7 42	812,742
Other payables	(i)	141,514	141,514	247,530	247,530
Total financial liabilities	.,	892,214	892,214	1,060,272	1,060,272

The fair values disclosed in the above table have been determined based on the following methodologies:

(i) Cash and cash equivalents, accounts receivable and other debtors and accounts payable and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for annual leave, which is outside the scope of AASB 139.

Note 15 Fair Value Measurement (Continued)

The fair values disclosed in the above table have been determined based on the following methodologies:

(ii) Cash and cash equivalents, accounts receivable and other debtors and accounts payable and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for annual leave, which is outside the scope of AASB 139.

Fair Value Hierarchy

AASB 13: Fair Value Measurement requires the disclosure of fair value information by level of the fair value hierarchy, which categories fair value measurement into one of the three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset of liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market date. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Note 15 Fair Value Measurement (Continued)

The following tables provide an analysis of financial and non-financial assets and liabilities that are measured at fair value, by fair value hierarchy.

Fair value hierarchy - 30 June 2019

	Note	Date of Valuation	Level 1	Level 2	Level 3
Assets measured at fair value		\$	\$	\$	\$
Land and buildings – 19 Argle Street, Parramatta	6D	12 Aug 2019	-	4,800,000	-
Total			#	4,800,000	-

The Branch does not have any other assets or liabilities that are recorded using a fair value technique.

Fair value hierarchy - 30 June 2018

	Note	Date of Valuation	Level 1	Level 2	Level 3
		\$	\$	\$	\$
Assets measured at fair value Investment Property – 187 Thomas Street, Haymarket	5F & 6J	April 2018	72,208,754	-	-
Land and buildings – 19 Argle Street, Parramatta	6D	7 Dec 2017	-	3,686,126	-
Total		_	72,208,754	3,686,126	

The Branch does not have any other assets or liabilities that are recorded using a fair value technique.

Note 16 Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commission:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

Note 17 Branch Details

The registered office of the Branch is:

Level 1, 187 Thomas Street Haymarket NSW 2000

Note 18 Segment Information

The Branch operates solely in one reporting segment, being the provision of industrial services in New South Wales.

UNITED VOICE - NEW SOUTH WALES BRANCH

OFFICER DECLARATION STATEMENT

I, Melanie Gatfield, being the Branch Secretary of United Voice – New South Wales Branch, declare that the following activities did not occur during the reporting period ending 30 June 2019:

The reporting unit did not:

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- · receive donations or grants
- · receive revenue from undertaking recovery of wages activity
- pay compulsory levies
- pay a grant that was \$1,000 or less
- pay a grant that exceeded \$1,000
- pay separation and redundancy to holders of office
- pay separation and redundancy to employees (other than holders of office)
- pay to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit
- pay a penalty imposed under the RO Act or the Fair Work Act 2009
- have a payable to an employer for that employer making payroll deductions of membership subscriptions
- have a separation and redundancy provision in respect of holders of office
- have a separation and redundancy provision in respect of employees (other than holders of office)
- have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- have another entity administer the financial affairs of the reporting unit
- · make a payment to a former related party of the reporting unit

URGENT REMINDER:

The United Voice - New South Wales Branch's financial report is due (FR2019/218)

Dear Paul Richardson,

We are writing to remind you of the United Voice - New South Wales Branch's obligation to lodge a financial report under section 268 of the *Fair Work (Registered Organisations) Act* 2009 (the RO Act).

We hope you are on track to complete your financial report on time. If not, please contact us as soon as possible to discuss ways we can assist you to meet the deadline.

Did you know? The ROC is currently seeking to improve non-compliance with these three areas:

- Providing the full report to members
- Providing the report to members within the deadlines
- Lodging the full report with the ROC within 14 days of the s.266 meeting.

Compliance Calculator

If you are not sure whether your planned dates are consistent with the RO Act, have a look at our <u>compliance calculator</u>. The compliance calculator will help you work out your unique dates for when your report needs to be provided, presented and lodged.

Your steps checklist

Your financial year ended on 30 June 2019. You should be well into the following process.

Pre-lodgement checklist	√
Draft the financial report and have the committee of management pass the Committee of Management resolution Did you know? This is the first meeting in the financial reporting process	
Have the auditor complete and sign the auditor's report Tips: You must use a registered auditor. The SIGNED report is part of the full report. Make sure it is included in what is provided to members	
Provide the full report to members This must be done: • If you are going to a committee of management meeting (requires a 5% rule), within 5 months of 30 June 2019 • If you are going to a general meeting of members, 21 days before the meeting	
Present the full report to the second meeting. Hints: This meeting must be within 6 months of 30 June 2019. This is either a committee of management meeting (requires a 5% rule) or a general meeting of members	
Lodge with the ROC within 14 days of the meeting – regorgs@roc.gov.au TIP: lodge it straight away – there's no need to wait the full 14 days	

If you require further advice or assistance please email regorgs@roc.gov.au or call us on 1300 341 665.

Yours sincerely,

Registered Organisations Commission

Penalties apply

We emphasise that sections 253, 254, 265(1)(a), 266 and 268 of the RO Act are civil penalty provisions.

Failure of an organisation to prepare a full report, provide it to members, present it to a meeting and lodge with the ROC within legislative time frames may expose your organisation to Federal Court proceedings with the possibility of a pecuniary penalty being imposed upon an officer and/or the organisation.

2 July 2019

Melanie Gatfield NSW Branch Secretary United Voice - New South Wales Branch Sent via email: nsw@unitedvoice.org.au

Dear Melanie Gatfield,

Re: Lodgement of Financial Report - FR2019/218

Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the United Voice - New South Wales Branch (the reporting unit) ended on 30 June 2019. This is a courtesy letter to remind you of the reporting unit's obligations regarding financial reporting.

Loans Grants and Donations Statement

The reporting unit is required to lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 of the RO Act requires this statement to be lodged with the Registered Organisations Commission (the ROC) within 90 days of the end of the reporting unit's financial year, that is on or before 28 September 2019.

The attached fact sheet *Loans Grants and Donations* (FS 009) summarises the requirements of the Loans Grants and Donations Statement. A sample statement of loans, grants or donations is available on our website.

It should be noted that s.237 is a civil penalty provision. If a loan, grant or donation over \$1000 has been made, failure to lodge a statement of loans, grants and donations (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

Financial report

The RO Act sets out a particular chronological order in which your financial report must be prepared, audited, provided to members, presented to a meeting and then lodged with the ROC. The attached document *Summary of Financial Reporting timelines* (FS 008) summarises these requirements.

We emphasise that the reporting unit is required to present its audited financial report to a meeting (either of members or of the committee of management, depending on your rules) no later than 31 December 2019 (s.266). The full financial report must be lodged with the ROC within 14 days of that meeting (s.268).

When assessing your financial report, we will continue to focus closely on timelines as well as how loans, grants and donations are reported. The financial report must break down the amounts of grants and donations and these figures will be compared to the loans, grants and donations statement (see attached *Loans Grants and Donations* fact sheet FS 009).

You can visit our website for more information regarding <u>financial reporting</u>, and fact sheets regarding <u>financial reporting processes and requirements</u>. A model set of financial statements developed by the ROC is also available on our website. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards.

It should be noted that s.268 of the RO Act is a civil penalty provision. Failure to lodge the full financial report (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention (s.268).

Auditor's report

When assessing the financial report we will also focus on the structure and content of the auditor's report to ensure that it complies with the revisions made to the Auditing Standards which came into effect from 15 December 2016. Please find here a link to guidance note *Illustrative Auditor's Report* (GN 004) relating to these requirements (which can also be located on our website).

REMINDER

YOUR AUDITOR MUST BE REGISTERED (s.256)

You must ensure that your auditor is registered by the Registered Organisations Commissioner. A list of registered auditors is available on our <u>website</u>.

Contact

Should you require any clarification in relation to the above, please email regorgs@roc.gov.au.

Yours faithfully,

Kylie Ngo Registered Organisations Commission

Fact sheet

Summary of financial reporting timelines – s.253 financial reports General Information:

- The <u>full report</u> consists of the General Purpose Financial Report, Committee of Management Statement, Operating report, s.255(2A) Report and signed Auditors' Report
- For an explanation of each of the steps below see our Fact sheet—financial reporting process.

STEP 1:

Reporting unit must prepare the General Purpose Financial Report, Committee of Management Statement, s.255(2A) Report and Operating Report as soon as practicable after the end of the financial year:

STEP 2:

Committee of Management statement – resolution to be passed by the Committee of Management in relation to the General Purpose Financial Report (1st meeting)

STEP 3:

Registered Auditor to prepare and sign the Auditor's Report and provide to the Reporting unit **within a reasonable timeframe**

IF RULES PROVIDE FOR PRESENTATION OF FULL REPORT AT GENERAL MEETING OF MEMBERS

(this is the default process in the RO Act)

STEP 4:

Provide *full report* to members at least 21 days before the General Meeting

STEP 5:

Present *full report* to a General Meeting of Members within 6 months of the reporting unit's end of financial year (2nd meeting)

STEP 6:

Prepare and sign the designated officer's certificate then lodge *full report* and the designated officer's certificate with the ROC within 14 days of the 2nd meeting

IF RULES PROVIDE FOR PRESENTATION OF FULL REPORT AT COMMITTEE OF MANAGEMENT MEETING

(Special rules must be in the rulebook to use this process)

STEP 4:

Provide *full report* to members within 5 months of the reporting unit's end of financial year

STEP 5:

Present *full report* to Committee of Management Meeting within 6 months of the reporting unit's end of financial year (2nd meeting)

STEP 6:

Prepare and sign the designated officer's certificate then lodge full report and the designated officer's certificate with the ROC within 14 days of the 2nd meeting

Misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Financial Reporting Process. They include:

Misco	nception	Requ	irement
×	The Committee of Management statement is just copied from the Reporting Guidelines	√	The Committee of Management statement must have the date of the Committee of Management resolution recorded upon it and it must be signed and dated BEFORE the auditor signs their report
			Further, if any of the statements within it need to be modified to suit the reporting unit (for instance not holding meetings) these changes must also be made
*	The Auditor's Report does not need to be signed until just before it is lodged with the ROC	√	The Auditor's Report must be signed and dated BEFORE the full report (including the Auditor's Report) is sent to members and presented to the second meeting
×	The Designated Officer's Certificate must be signed before the report is sent to members	√	The Designated Officer's Certificate declares what the reporting unit HAS ALREADY DONE to provide the report to members and present it to the meeting. It must be signed and dated AFTER sending the report to members and the second meeting
×	Documents can be dated when they should have been signed or when the events in the document occurred	√	Documents must always be dated at the date they are actually signed by an officer or auditor
×	Any auditor can audit a financial report	√	Only registered auditors can audit the financial report
×	The Committee of Management statement can be signed at any time	√	The resolution passing the Committee of Management Statement must occur and the statement signed and dated BEFORE the auditor's report is signed and dated
×	Any reporting unit can present the Full Report to a second COM meeting	√	Only reporting units with a 5% rule in their rulebook are able to present their report to a second Committee of Management Meeting. Otherwise, it must be presented to a General Meeting of members
*	Everything can be done at one Committee of Management meeting	√	If the rules allow for presenting the report to the Committee of Management, there must still be two meetings. The first meeting resolves the Committee of Management statement (including signing and dating it). Between the two meetings the Auditor's report is signed and dated. Only then can the full report be presented to the second Committee of Management meeting (if the rules allow)
×	The reporting unit has 6 months and 14 days to lodge their financial report with the ROC	√	The reporting unit must lodge the financial report within 14 days of the second meeting

FS 009 (14 December 2018)

Fact sheet

Loans, Grants & Donations

The Loans, Grants & Donations Requirements

The Fair Work (Registered Organisations) Act 2009 (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within **90 days** of the ending of the financial year.

Under the Commissioner's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceeds \$1000. The following information must be supplied to the Registered Organisations Commission (the ROC) for each relevant loan, grant or donation:

- the amount,
- · the purpose,
- the security (if it is a loan),
- the name and address of the person to whom it was made,* and
- the arrangements for repaying the loan.*

*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the ROC has a <u>Template Loans</u>, <u>Grants and Donations Statement</u> on its website. The ROC encourages branches and organisations to lodge the statement even if all of the figures are NIL.

Common misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconce	eption	Requirer	ment
×	Only reporting units must lodge the Statement.	✓	All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.
×	Employees can sign the Statement.	✓	The statement must be signed by an elected officer of the relevant branch.
×	Statements can be lodged with the financial report.	√	The deadline for the statement is much shorter (90 days) and if it is lodged with the financial report it is likely to be late.

Grants & Donations within the Financial Report

Item 14(e) of the Commissioner's Reporting Guidelines requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines.

In the <u>ROC's Model Statements</u> the note appears as follows:

Note 4E: Grants or donations*

Grants:	2017	2016
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Donations:		
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Total grants or donations	-	-

The Commissioner's Reporting Guidelines requires that these line items appear in the financial statements, the notes or in the officer's declaration statement, even if the figures are NIL.

Implications for filing the Financial Report

During their review of the financial report staff of the ROC may confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their last financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous financial year to ensure any targeted concerns are addressed in their latest financial report. Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the website.

Further information

If you have any further questions relating to the loan, grant and donation disclosure requirements in the statement or the financial report, please contact the ROC on regorgs@roc.gov.au
