Dear Ms Walsh

## Re: Lodgement of Financial Statements and Accounts – United Voice, Victorian Branch - for year ended 30 June 2016 (FR2016/259)

I refer to the financial report for the Victorian Branch of United Voice. The report was lodged with the Fair Work Commission on 16 December 2016.

The financial report has been filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2017 may be subject to an advanced compliance review.<sup>1</sup>

#### **Reporting Requirements**

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via <u>this link</u>.

Should you require further information on the financial reporting requirements of the Act, I may be contacted on (02) 6746 3283 or 0429 462 979 or by email at <u>stephen.kellett@fwc.gov.au</u>

Yours sincerely

uplen Kellett

### COMMITTEE OF MANAGEMENT STATEMENT FOR THE YEAR ENDED 30 JUNE 2016

On the 26<sup>th</sup> October 2016 the Committee of Management of United Voice – Victorian Branch passed the following resolution in relation to the general purpose financial report (GPRF) for the year ended 30<sup>th</sup> June 2016:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act, it has been provided to the member or General Manager; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) no revenue has been derived from undertaking recovery of wages activity during the reporting period

This declaration is made in accordance with a resolution of the Committee of Management.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

### 1. Summary of significant accounting policies

#### 1a Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, United Voice – Victorian Branch is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

#### 1b Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### 1c Significant accounting judgements and estimates

The preparation of financial statements requires the Branch to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

#### 1d New Australian Accounting Standards

#### Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

#### Future Australian Accounting Standards Requirements

There were no new standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period that are expected to have a future financial impact on United Voice – Victorian Branch

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

#### 1e Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

Interest revenue is recognised on an accrual basis using the effective interest method which for floating rate financial assets is the rate inherent in the instrument.

Investment revenue is recognised in the period in which it is earned.

All revenue is stated net of the amount of goods and services tax (GST).

#### 1f Gains

#### Sale of assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

#### 1g Sustentation fees and levies

Sustentation fees and levies are to be recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

#### 1h Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits which are expected to be settled within twelve months of the end of the reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability including related on costs.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

#### 1h Employee benefits

The obligations are presented as current liabilities in the statement of financial position if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

Contributions made by the Union to employee superannuation funds are charged as expenses when incurred.

#### 1i Leases

Lease payments for operating leases, where substantially all the risks and rewards of ownership remain with the lessor, are charged as expenses in the period in which they are incurred.

#### 1j Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the consolidated statement of financial position.

#### 1k Financial instruments

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

#### 11 Financial assets

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss, held-to-maturity investments, available-for-sale financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

#### 11 Financial assets

#### Held-to-maturity investments

Financial assets with fixed or determinable payments and fixed maturity dates that the reporting unit has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

#### Available-for-sale

Available-for-sale financial assets, comprising principally marketable equity securities, are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investment within 12 months of the reporting date. Investments are designated as available-for-sale if they do not have fixed maturities and fixed or determinable payments and management intends to hold them for the medium to long term.

Subsequent to initial recognition, available-for-sale assets are measured at fair value and any movement in value is presented within equity in the available-for-sale asset reserve.

Dividends and distributions from available-for-sale equity instruments are recognised in profit or loss when received.

#### Loan and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

#### Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the reporting units past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

#### 11 Financial assets

#### Derecognition of financial assets

The Union derecognises a financial asset when the rights to receive cash flows from the financial assets have expired or have been transferred and the Union has transferred substantially all the risks and rewards of ownership. When securities classified as available-for-sale are sold, the accumulated fair value adjustments recognised in equity are included in the income statement as gains and losses from investment securities.

#### 1m Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities. Financial liabilities are recognised and derecognised upon 'trade date'.

#### **Other financial liabilities**

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs. Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

#### Derecognition of financial liabilities

The Union derecognises financial liabilities when, and only when, the reporting units obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

#### 1n Property, plant and equipment

Property, plant and equipment are brought to account at cost less, where applicable, any accumulated depreciation or amortisation.

#### Depreciation

The depreciable amount of property, plant and equipment is depreciated on either a straight line or diminishing value basis over their useful lives commencing from the time the asset is held ready for use.

#### 1n Property, plant and equipment

#### Depreciation

The depreciation rates used for each class of asset are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Motor Vehicles	22.5%
Furniture and Equipment	2.5% - 40%

All minor purchases of assets are considered by the Union as having a useful life relative only to the period of purchase and as such are written off during that period.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains and losses are included in the profit or loss in the statement of comprehensive income.

#### 10 Taxation

The Union is exempt from income tax under Section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables, in the statement of financial position are shown inclusive of GST.

#### 1p Change in accounting policies

The Union management changed the following accounting policies during the current financial year -

- a) Fixed Assets are only capitalised if the amount exceeds \$1,000
- b) Prepayments are only bought to account if the amount exceeds \$1,000

The above changes had no material effect on the financial statements.

## 2 Events after the reporting period

There were no events that occurred after 30 June 2016, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of United Voice – Victorian Branch.

## 17. Financial instruments

The Union's activities expose it to the primary financial risks of market, liquidity, credit and interest rate risk. The Union's overall risk management approach is to identify the risks and implement safeguards which seek to minimise potential adverse effects on the financial performance of the Union.

#### Market Risk

The Union is exposed to equity securities price risk. This arises from investments held by the Union and classified on the statement of financial position either as available-for-sale or at fair value through profit or loss.

The table below summarises the impact of increases/(decreases) of the unit prices on the Union's equity. The analysis is based on the assumption that the unit prices had increased/(decreased) by 5% (2015 – Nil) with all other variables held constant and all the Union's equity instruments moved according to the historical correlation with the unit prices.

	2016	2015
	\$	\$
Effect on equity:		
Increase of unit prices by 5%	42,226	-
Decrease of unit prices by 5%	(42,226)	-

#### Liquidity Risk

Liquidity risk is the risk that the Union may not be able to meet its financial obligations as they fall due. The Union has both short term and long term investments which enable sufficient cash to be available to settle obligations as they fall due.

#### Credit Risk

Credit risk is the risk of financial loss to the Union if a member or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises from cash and cash equivalents, receivables, deposits with banks and financial institutions and loans to branches.

There is no concentration of credit risk with respect to current receivables.

The maximum exposure to credit risk for receivables at the reporting date is the carrying amount of the financial assets as disclosed below:

	2016	2015
	\$	\$
Debtors - Branches	28,705	5,535
Other receivables	335,806	318,236
Total receivables	364,511	323,771

## 17. Financial instruments

#### Credit Risk

Cash transactions are limited to high credit quality financial institutions. Currently the investments are held in Australian banks. The Union has no significant concentrations of credit risk.

The maximum exposure to credit risk at the reporting date is the carrying amount of the financial assets. The credit quality of financial assets can be assessed by reference to external credit ratings as follows :

	2016 \$	2015 \$
Cash at bank		50 000
AA- Rating	ui	59,893
A1+ Rating	317,338	
Cash at call and Term Deposits		
A2 Rating	11,388,447	14,802,964
A- Rating	4,271	-
Floating Rate Notes		
A- Rating	**	3,700,000
A Rating	3,700,000	-
BBB+ Rating	1,998,150	2,000,000
BBB- Rating	2,000,000	-

#### Interest Rate Risk

Interest rate risk is the risk that a financial instrument's value and future cash flows will fluctuate as a result of changes in market interest rates. The Union's exposure to interest rate risk arises from cash at bank, term deposits and floating rate notes.

#### Sensitivity analysis

As at 30 June the effect on the surplus/(deficit) as a result of changes in interest rates, with all other variables remaining constant would be as follows:

	2016	2015
	\$	\$
Effect on results:		
Increase of interest rates by 1%	198,726	210,773
Decrease of interest rates by 1%	(198,726)	(210,773)

#### 18. Fair value measurement

AASB 13: Fair Value Measurement requires the disclosure of fair value information according to the relevant level in the fair value hierarchy as follows:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 Unobservable inputs for the asset or liability.

The fair value of cash and cash equivalents and non-interest bearing monetary financial assets and financial liabilities of the Union approximates their carrying amounts.

The aggregate net fair values and carrying amounts of financial instruments held by the Union at year end are those values disclosed in the Statement of Financial Position and in the Notes to the Financial Statements.

The carrying value less impairment provision of trade receivables and payables are assumed to approximate their fair values due to their short-term nature.

The fair value of financial assets available-for-sale is based on quoted market prices at the end of the reporting period.

The table below shows the assigned level for each asset and liability held at fair value --

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

### 19. Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

### 20. Other Information

#### (i) Going Concern

The branch's ability to continue as a going concern is not reliant on financial support from another reporting unit.

#### (ii) Financial Support

No financial support has been provided to another reporting unit to ensure that it continues as a going concern.

(iii) Acquisition of assets and liability under specific sections:

The branch did not acquire any asset or a liability during the financial year as a result of:

- An amalgamation under part 2 of Chapter 3, of the RO Act;
- A restructure of the Branches of the organization;
- A determination by the General Manager under s245(1) of the RO Act;
- A revocation by the General Manager under s249(1) of the RO Act;

(iv) Acquisition of assets and liability as part of a business combination:

If assets and liabilities were acquired during the financial year as part of a business combination, the requirement of the Australian Accounting Standards will be complied with. No such acquisition has occurred during the financial year.

## INDEPENDENT AUDIT REPORT TO THE MEMBERS OF UNITED VOICE VICTORIAN BRANCH

We have audited the accompanying general purpose financial report of United Voice – Victorian Branch for the year ended 30<sup>th</sup> June 2016 comprising Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Cash Flow Statement, Notes to and Forming Part of the Financial Statements and Committee of Management Statement.

## Committee of Management's Responsibility for the Financial Report

The Union's Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

Liability limited by a scheme approved under Professional Standards Legislation.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

### Audit Opinion

In our opinion we have concluded that management's use of the going concern basis of accounting in the preparation of the Union's financial report is appropriate.

In our opinion the financial report presents fairly, in all material respects, the financial position as at 30 June 2016 and of its financial performance and cash flows for the year then ended and is in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009.

Signed at Melbourne, this  $26^{-7}$  day of October 2016.

Dear Ms Walsh,

## Lodgement of Financial Report - Reminder to lodge

The Fair Work Commission's (the Commission) records disclose that the financial year of the United Voice - Victorian Branch (the reporting unit) ended on the 30 June 2016.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with the RO Act, make it available to the members and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the full financial report to be presented to a general meeting of members or a committee of management meeting is <u>six months after the</u> <u>expiry date of its financial year</u> (s.253, s254, s265, s.266, s.268). The full report must be lodged with the Commission within <u>14 days of that meeting</u>.

The Commission encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the General Manager instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the General Manager following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$54,000 per contravention on the organisation and up to \$10,800 per contravention on an officer whose conduct led to the contravention.

Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$54,000 for a body corporate and \$10,800 for an individual per contravention) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

We encourage you to lodge the full financial report directly to <u>orgs@fwc.gov.au</u>. That is the official email address for electronic lodgements of material related to registered organisations matters.

Ms Jessica Walsh VIC Branch Secretary United Voice - Victorian Branch By email: jess.walsh@unitedvoice.org.au

Dear Ms Walsh,

### Re: Lodgement of Financial Report - [FR2016/259] Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the United Voice - Victorian Branch (the reporting unit) ended on 30 June 2016.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date under s.268 of the RO Act, that being within 14 days after the meeting referred to in s.266 of the RO Act.

### Timelines

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

#### Fact sheets, guidance notes and model statements

Fact sheets and guidance notes in relation to financial reporting under the RO Act are provided on the Fair Work Commission website. This includes a model set of financial statements which have been developed by the FWC. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards. The model statement, Reporting Guidelines and other resources can be accessed through our website under <u>Financial Reporting</u> in the Compliance and Governance section.

#### Loans, grants and donations: our focus this year

Also you are reminded of the obligation to prepare and lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 requires this statement to be lodged with the FWC within 90 days of the end of the reporting unit's financial year, that is on or before 28 September 2016. A sample statement of loans, grants or donations is available at <u>sample documents</u>.

Over the past year we have noted issues in organisations' financial reports relating to timelines and how loans, grants and donations are reported. We will be focusing closely on these areas this year. Please find attached below fact sheets relating to these requirements or alternatively visit our website for information regarding <u>financial reporting timelines</u> and <u>loans</u>, grants and donations.

It is requested that the financial report and any Statement of Loans, Grant or Donations be lodged electronically by emailing <u>orgs@fwc.gov.au</u>.

11 Exhibition Street Melbourne VIC 3000 GPO Box 1994 Melbourne VIC 3001 Telephone : (03) 8661 7777 Email : <u>orgs@fwc.gov.au</u> Internet : www.fwc.gov.au

### **Civil penalties may apply**

**It should be noted that s.268 is a civil penalty provision.** Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$54,000 for a body corporate and \$10,800 for an individual per contravention) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

## Contact

Should you wish to seek any clarification in relation to the above, email orgs@fwc.gov.au.

## **Financial reporting timelines**

Financial reports are to be lodged with the Fair Work Commission (the Commission) within 14 days of the meeting at which the financial reports have been presented, by completing the steps as outlined below.

See Fact sheet—Financial reporting for an explanation of each of these steps.

## Fact Sheet - Loans, Grants & Donations

## The Loans, Grants & Donations Requirements

The *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within **90 days** of the ending of the financial year.

Under the General Manager's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

## The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceed \$1000. The following information must be supplied to the Commission for each relevant loan, grant or donation:

the amount,

the purpose,

the security (if it is a loan),

the name and address of the person to whom it was made,\* and

the arrangements for repaying the loan.\*

\*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the Commission has a <u>Template Loans</u>, <u>Grants and Donations Statement</u> on its website. The Commission encourages branches and organisations to lodge the statement even if all of the figures are NIL.

## **Common misconceptions**

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconception	Requirement
Only reporting units must lodge the Statement.	All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.
Employees can sign the Statement.	The statement must be signed by an elected officer of the relevant branch.
Statements can be lodged with the financial report.	The deadline for the statement is much shorter (90 days) and if it is lodged with the financial report it is likely to be late.

## **Grants & Donations within the Financial Report**

Item 16(e) of the <u>General Manager's Reporting Guidelines</u> requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines.

In the Commission's Model Statements the note appears as follows:

## Note 4E: Grants or donations\*

Grants:	2016	2015
Total paid that were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
Donations:		
Total paid that were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
Total grants or donations	-	-

Item 17 of the General Manager's Reporting Guidelines requires that these line items appear in the financial report even if the figures are NIL.

## Implications for filing the Financial Report

During their review of the 2016 financial report staff of the Commission will confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their 2015 financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous financial year to ensure any targeted concerns are addressed in their latest financial report. Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the Commission's website.

## **Further information**

If you have any further questions relating to the loan, grant and donation disclosure requirements in the statement or the financial report, please contact the Regulatory Compliance Branch on <u>orgs@fwc.gov.au</u>
