Dear Mr Stuckey

**Re: Victorian Automobile Chamber of Commerce  
Annual Return of Information contained in records kept by Organisation**

I have received your letter dated 22 January 2004 together with statutory declarations declared on 4 February 2004 containing information in accordance with subsection 268(3) of the *Workplace Relations Act 1996* (the Act).

I would be pleased if you would relodge the return providing us with the information in a Declaration in accordance with subsection 233(1) of Schedule 1B (which came into operation in May 2003) of the *Workplace Relations Act 1996*.

**Electronic Organisations Files**

Documents which up to date were lodged by a registered organisation with respect to such matters as an organisation's rules, the election of office bearers, financial reporting and annual returns were placed on that organisation's public file.

The registry is progressively creating an electronic organisations file for each registered organisation which will be accessible through the AIRC web site. In light of the readier access which this will give to these documents, elected office bearers may wish to consider providing their work postal addresses (rather than their residential addresses) in the list of office bearers which is required to be lodged each year under RAO subsection 233(1)(b). You may wish to relodge this year's list of office bearers with their work addresses.

Yours sincerely

Margaret Williams
