**Post Election Report For: Victorian Automobile Chamber of Commerce
Election E2012/401**

I refer to the above election for your organisation.

Section 197(1) of The Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to the Industrial Registrar and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Act 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Dear Sir

Board of Management Elections

I, Tony La Rosa, being the President of the Victorian Automobile Chamber of Commerce, am authorised to lodge the prescribed information concerning vacancies on the Board of Management ["BOM"]. This correspondence is intended to replace correspondence concerning prescribed information forwarded to Fair Work Australia dated 1 November 2012.

The reason for lodging this prescribed information is to address the failure of representatives from particular Divisions lodging their nomination forms during VACC's recent BOM election. The BOM is made up of two representatives from each of VACC's 16 Divisions. Failure to lodge nomination forms means that the Division is subsequently excluded from electing the Executive Board, which is made up of representatives from the BOM, and more importantly that the Division's interests are not represented on VACC's governing body, the BOM.

In addition, one position remains unfilled in the General, Motorcycle Industry Division (MID), and Commercial Vehicle Industry Association (CVIA) Divisions. None of the positions representing these three Divisions were contested and subject to a ballot. Consistent with our Rules and past practice, the office positions on the BOM have been disclosed and will be formally noted at the Annual General Meeting on 28 November 2012. The position of Executive Director, however will be declared at our Annual General Meeting, and publicly announced following the counting of ballot papers on 12 November 2012. No nominations will be received for A- Grade, as this Division is temporarily not in use.

We do not anticipate that the election for the above positions will be subject to a ballot.

We request dates for the election as soon as practicably possible to allow the Divisions to be properly represented at the BOM.

I am authorised to lodge the attached prescribed information concerning forthcoming elections by the Victorian Automobile Chamber of Commerce.

I confirm that the information provided is being lodged under subsection 189 (1) of the Fair Work (Registered Organisations) Act 2009.

If you require any additional information, please contact Mrs Leyla Yilmaz on 9829 1120.

Yours faithfully

PRESIDENT

Dear Sir

Board of Management Elections – Farm and Industrial Machinery Dealers Association (FIMDA)

I, Tony La Rosa, being the President of the Victorian Automobile Chamber of Commerce, am authorised to lodge the prescribed information concerning two vacancies to be filled by the **Farm and Industrial Machinery Dealers Association (FIMDA)**.

During VACC's recent Board of Management election, Farm & Industrial Machinery Dealers Association (FIMDA) representatives failed to submit their nomination forms by the specified due date. The VACC Constitution provides for two (2) representatives from the FIMDA Division, and, as it currently stands, there are no representatives filling those two positions on the Board of Management.

The urgency in conducting this fresh election (for FIMDA only) is to ensure that FIMDA is represented at the upcoming Annual General Meeting and the Board of Management Meeting. Both scheduled for Wednesday, 28 November 2012. Furthermore, elections for positions on the Executive Board will commence on Monday, 3 December 2012.

We do not anticipate that the election will be subject to a ballot as two (2) nominations have since been received from the FIMDA Executive Committee. These two (2) nominees have the full support of the Committee.

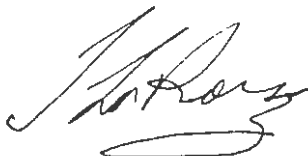

With this in mind, we are asking Fair Work Australia to waive the 28 day period of lodgement and kindly expedite the process.

I am authorised to lodge the attached prescribed information concerning forthcoming elections by the Victorian Automobile Chamber of Commerce.

I confirm that the information provided is being lodged under subsection 189 (1) of the Fair Work (Registered Organisations) Act 2009.

If you require any additional information, please contact Mrs Leyla Yilmaz on 9829 1120.

Yours faithfully
