Dear Ms Diacoyannis,

Thank you for lodging the 2014 annual return of information for the Victorian Employers' Chamber of Commerce and Industry. Unfortunately, it is unable to be filed at this point due to an issue with the wording.

In correspondence relating to the 2013 annual return of information, my colleague noted that the declaration did not certify that the information contained in the declaration was a correct statement of the information contained in the organisation's records. I note that the 2014 annual return also fails to include this certification. In order to assist with this issue, please find attached a blank template annual return which includes the wording required by the *Fair Work (Registered Organisations) Act 2009* and associated regulations. I request that the template be completed and refiled to satisfy the requirements for the 2014 annual return of information. It is hoped that this template can also be used in future years to assist the organisation.

If you have any queries regarding the above, please do not hesitate to contact me,

Regards,

Olaf Richter
