s.189—Arrangement for conduct of an election

VIPA
(E2017/32)

MR ENRIGHT

MELBOURNE, 14 JULY 2017

Arrangement for conduct of election.

[1] On 19 May 2017, VIPA lodged with the Registered Organisations Commission prescribed information for an election.

[2] Rule 23(c) of VIPA’s rules determines the number of Committee of Management members based upon member numbers as at 1 July in the year of the election. Updated member numbers were received from VIPA on 12 July 2017. The updated figures require two Committee of Management Members from the VAA E-Jet electorate; this is a reduction from the three requested in the prescribed information. All other electorates maintained the same number of representatives as in the prescribed information.

[3] Despite the numbers of offices requested in the prescribed information of 19 May 2017, the rules require the following offices based on the member numbers as at 1 July 2017:

Committee of Management Members from each of the following electorates

VARA

ATR-72 (1)
F100 (1)

VAA

B737 (7)
B777 (3)
A330 (2)
E-Jet (2)

Tigerair

A320/B737 (2)

[4] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.
