This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgement, including the assessment of the material risks of misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee Members as well as evaluating overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

### Note 1 – Change in accounting period.

In accordance with changes to the Union rules as approved by the Fair Work Authority and the State Industrial Commission the Union's financial year changed from a calendar year to a 12 month period ending on the 30<sup>th</sup> June each year. In order to bring the financial reporting into line with this rule change, the previous financial report covered the six month period 1st January to the 30<sup>th</sup> June 2009. The comparative figures in this report are for the previous six month period.

#### Note 2 – Basis of presentation of financial statements.

#### Going Concern

These accounts have been prepared on the ongoing basis, on the understanding that the W.A. Division's sister Perth union will continue its financial support, utilising the Perth property for financing purposes. This ongoing backing is demonstrated by the pooled operations of the W.A. Division, the Federal body and the Perth union (see note (1a) below). Having made enquiries, the Executive consider that the W.A. Division and the aforementioned related bodies have adequate resources to continue and that it is therefore appropriate to adopt the going concern basis in preparing the accounts.

### Division of income and expenditure

The membership application form for the WA Shire Councils. Municipal Road Boards. Health Boards. Parks, Cemeteries and Racecourses. Public Authorities Water Boards Union - WA Division and the Western Australian Municipal Road Boards. Parks and Racecourse Employees' Union of Workers (Perth) includes the following:

"I ...(name) ... hereby apply to be admitted as a member of the WA Shire Councils. Municipal Road Boards, Health Boards. Parks. Cemeteries and Racecourses. Public Authorities Water Boards Union - WA Division an organisation registered under the Workplace Relations Act. 1996 as amended, and to be admitted as a member of the Western Australian Municipal Road Boards. Parks and Racecourse Employee Union of Workers. Perth. an organisation registered under the WA industrial Relations Act 1979 (as amended). I pledge myself to the abovementioned organisations."

#### For this reason,

- b. The accounting procedures adopted in the recording and maintenance of the day-to-day transactions of both unions are such that it is not practical to reconstruct the accounting records to allocate global income and expenses between the two entities.
- c. Under these circumstances, in the years up to and including the year ended 31 December 2005, both entities prepared and distributed to members consolidated financials encompassing the combined operations of both entities.
- d. Fair Work Australia has determined (letter dated 12 May 2010) that "the provision of a consolidated financial report would not comply with the financial reporting requirements" and that the WA Shire Councils. Municipal Road Boards. Health Boards, Parks. Cemeteries and Racecourses. Public Authorities Water Boards Union WA Division is required to provide a financial report solely in respect to that reporting entity.
- e. In order to comply with the reporting requirements of Fair Work Australia. all income received and expenses incurred (apart from identifiable direct income receipts and expenses incurred) have been apportioned equally between the W.A. Divisional and the Perth union.

### Note 3 - Statement of significant accounting policies.

Except where stated, the accounting procedures and policies set out in these notes are consistent with the accounting procedures and policies used in prior years in the day to day activities of the Unions and in preparing financial statements.

#### b. Income tax

No provision for income tax is necessary for either Union because both are exempt from income tax under 50-15 of the Income Tax Assessment Act 1997. Tax effect accounting is therefore neither applicable nor applied in the preparation of these financial statements.

### c. Property, furniture and equipment

The Executive Committee obtains sworn valuations of freehold properties every three to five years and adjusts the book values of the relevant properties to agree with the sworn valuations.

Furniture and equipment is carried at cost less accumulated depreciation.

The carrying amount of furniture and equipment is reviewed annually by the Executive Committee to ensure it is not in excess of the expected net proceeds receivable from the asset's disposal at the end of its useful life.

### d. Depreciation

The Executive Committee believes that, as freehold properties are adjusted to values determined by sworn valuations from time to time, there is no need to provide for depreciation of the structures erected on those properties.

Items of furniture and equipment are depreciated at ten percent per annum on a straight-line basis over their useful lives commencing from the time the asset is held ready for use. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance date. An asset's carrying amount is written down to its recoverable amount if its carrying amount is greater than the higher of the asset's fair value less costs to sell and value in use, compared to the asset's carrying value. Realised gains and losses on disposals are included in the income statement.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

### Note 3 - Statement of significant accounting policies. (cont'd)

#### e. Employee benefits

Provision is made in accordance with the Workplace Relations Act 1996, for the organisations' liability for accrued employee benefits owing as at the end of the financial period arising from services rendered by employees to that date.

#### f. Provisions

Provisions are established when the Unions have a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

#### g. Borrowing costs

Borrowing costs are recognised in full in the income statement in the period in which they are incurred.

### h. Goods and services tax (GST)

Revenues, expenses and assets are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of the asset or the expense. Receivables and payables in the balance sheet are shown exclusive of GST.

### i. Critical accounting estimates and judgments

The Executive Council evaluates estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events based on current trends and economic data.

Note 4– Trade and other receivables	30-6-2010 \$	30-6-2009 \$

The amount of \$18.595 includes an amount of \$6.595, being the written down value of vehicles and furniture unaccounted for in February 2005. In addition to the amount of \$18.595 shown above, the Union have an additional substantial portfolio of evidence to put forward as counter-claims in the event of any possible future claim becoming a reality. Part of this evidence relates to an amount of \$26.309 written off in the year ended 31 December 2004 and described in the financial statements of that year as "Unidentified expenses". The amounts arose from cheques drawn during the year for which no subsequent accounting or explanations were received.

At the date of preparation of these financial statements, this transfer has not been effected. The Union's solicitors are handling the matter. The property has been used as collateral, security for an overdraft in the name of the Federal Body.
